

Product Fact Sheet

Sunny Fresh®

SOOTHE AND COOL YOUR THROAT, REFRESH YOUR MOUTH

Sunrider's herbal-based loquat and honey syrup provides fast, soothing, cooling relief for minor sore throat pain, coughing, and irritation. It contains a potent blend of concentrated herbs including licorice, peppermint, and cloves, all traditionally used to soothe the throat, aid digestion, and freshen breath. Keep Sunny Fresh® handy for the times when you need a natural solution to soothe your cough or sore, scratchy throat.

PHILOSOPHY OF REGENERATION®

Formulated without artificial sweeteners, colors, or preservatives, the nutrients in Sunny Fresh® are easily absorbed and processed by the body. A special formula of herbs and whole foods helps soothe the throat and aid digestion. Popular singers use Sunny Fresh® as a way to help preserve their voices.

INGREDIENT HIGHLIGHTS

CASSIA TORA

Cassia seeds have cleansing properties. They are used to promote cardiovascular health. It is also said to help support the liver, eyesight, and the elimination process.

CHRYSANTHEMUM

This beautiful flower is an excellent source of antioxidants and contains essential minerals, such as calcium, magnesium, folate, iron, sodium, and potassium.

HONEY

This popular bee-produced, nectar-based sweetener is often used as a cough suppressant and throat soother.

LOQUAT

This sweet-tasting fruit is packed with healthy vitamins, minerals, antioxidants, flavonoids, and other nutrients.

MENTHOL

Also known as peppermint, this herb has a invigorating scent and taste and can be used as a digestive and respiratory support.

FAQS

Q: Why is Sunny Fresh® better than other loquat throat syrups?

A: Most popular loquat-based throat products are actually diluted, made from 70% honey. Sunny Fresh® focuses on loquat, and is only 20% honey.

RECOMMENDATION

Consume one 15-ml bottle of Sunny Fresh® at mealtimes or as desired.

OWNER EXPERTISE FORMULATION
