FAQ

Q: What does “CC” stand for?

A: “CC” stands for “color correcting” or “complexion correcting.” The natural pigments in this lightweight formula help to visibly even skin tone and reduce the appearance of redness, dullness, and fine lines, revealing a radiant, natural-looking glow.

Q: Is Kandesn® CC Cream suitable for all skin types?

A: Yes! Our botanically based formula is designed to be gentle and suitable for all skin types, including sensitive skin.

Q: What skin tones does this product come in?

A: Kandesn® CC Cream comes in two skin tones: Fair and Light Medium. Each versatile shade works beautifully on a range of skin tones and undertones.

HOW TO USE

Adults and children (ages 6 months old and above): Apply as needed. Wear it alone or apply over your favorite moisturizer.

For moderate coverage, smooth on bare skin or mix with your moisturizer. For full coverage, wear under foundation. Test on a small area of skin before first use. If irritation occurs (within 24 hours), use a different product. For gentle, efficient removal, use any makeup remover.

INGREDIENT HIGHLIGHTS

SQUALANE (VEGETABLE ORIGIN)

Our vegetable-derived squalane is suitable for all skin types, helping to hydrate and protect the skin. It helps reduce the appearance of fine lines and signs of aging, supporting a smoother and more radiant complexion.

LYSINE PCA

A humectant and skin-conditioning agent, lysine PCA contains antioxidants that help protect the skin from environmental stressors and dryness, contributing to a healthier-looking appearance.

TOCOPHERYL ACETATE

This stable form of vitamin E offers antioxidant support and skin-conditioning benefits. It helps maintain moisture and provides an extra layer of protection for dry or stressed skin.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil delivers long-lasting hydration. Its humectant properties help soften the skin and support intensive moisturization.

Always read the product label – Use as directed.
