Non-medicinal Ingredients / Ingrédients non médicinaux : Water, Lemon Extract / Eau, extrait de citron.

FAQs

Q: What does Liqui-Five® help the body?

A: In keeping with the Sunrider's Philosophy of Regeneration®, daily maintenance of the body with proper nutrition is key to preventing physical malfunction. Dr. Chen created Liqui-Five® as a convenient way to nourish and strengthen the body to support optimal health and vitality.

Q: Liqui-Five® contains antioxidants; how are they important?

A: Our bodies are constantly bombarded by free radicals—the unstable molecules caused by pollution, stress, and even normal bodily processes. Free radicals damage healthy cells and are associated with ageing. Liqui-Five® provides antioxidants that help protect cells against the oxidative damage caused by free radicals.

The information provided for the Recommended Use is applicable to products sold in Canada only. Please note that daily dosage and labeling instructions differ between Canada and the United States. Also, please be aware that everyone's body is unique and may react differently to our products. The Recommendation for this product should be treated as the maximum daily recommended dosage for adults.

NOURISH + CLEANSE = BALANCE

Sunrider® products are based on a simple yet powerful idea that blends Traditional Chinese Medicine with advanced science. We call it our Philosophy of Regeneration®. When you nourish with only the finest natural ingredients and cleanse of harmful chemicals and artificial colors, flavors, and preservatives, you bring your body into balance. A balanced body is a healthy body.
