

# Product Fact Sheet

## Herb Cal® Tab

### A PURE & NATURAL SOURCE OF CALCIUM

Herb Cal® Tab is a calcium supplement formulated with pure calcium mined from fossilized coral in the ocean. Each chewable tab contains a proprietary combination of carbonate, citrate, and gluconate forms of calcium, plus concentrated herbal extracts, enzymes, and vitamin D to enhance absorption. Purely and naturally good, Herb Cal® Tab makes a smart addition to your healthy lifestyle.

### PHILOSOPHY OF REGENERATION®

Herb Cal® Tab is different from other calcium supplements because it's made from whole food ingredients and contains natural enzymes. Our body is designed to recognize food as nourishment, not synthetically manufactured vitamin and mineral supplements. Sunrider® supplements are derived directly from the plant or natural materials containing the vitamin or mineral, and aren't produced in a test tube with chemicals. This ensures optimal bioavailability.

### INGREDIENT HIGHLIGHTS

#### FLAX SEED OIL

A good source of plant omega-3 fatty acids, dietary fiber, and important nutrients.

### FAQS

**Q:** How does calcium benefit the body?

**A:** Calcium is the building blocks to strong, healthy teeth and bones. Each Herb Cal® Tab contains 237.5 mg of calcium, 19.79% of the recommended daily value.

**Q:** How is Herb Cal® Tabs different from other sources of calcium?

**A:** Calcium from oyster shell may contain lead, mercury, arsenic, or other heavy metals from industrial runoff. In safe contrast to this, Herb Cal® Tabs are made with pure calcium mined from fossilized coral in the ocean.

### RECOMMENDATION

As a dietary supplement, chew one to two tabs daily or as desired.
