INGREDIENT HIGHLIGHTS

COIX FRUIT

This tropical plant is rich in fiber and antioxidants like polyphenols, which are known as “lifespan essentials,” to support digestion, weight loss, and diuresis by helping to decrease fat and cholesterol absorption.

FRUCTOOLIGOSACCHARIDE (FOS)

This prebiotic soluble-fiber carbohydrate supports healthy growth of beneficial bacteria in your gut. FOS cannot be absorbed or broken down by the body and, therefore, is a great food source for probiotics.

FAQs

Q: How is VitaShake® different from other protein and meal replacement shakes?

A: VitaShake® is free of the harmful ingredients commonly found in other shakes, including chemical additives and artificial flavors and sweeteners. VitaShake® also has fewer than 100 calories per serving and is cholesterol-free and very low in sugar and sodium.

Q: Is VitaShake® easy to digest?

A: Yes, because it's made from concentrated whole foods and natural vitamins and minerals.
