

Oi-Lin® Facial Toner

Tone and Restore

Oi-Lin® Facial Toner

Elevate your skincare routine with this harmonious blend of herbal extracts and natural ingredients. Ultra-hydrating sodium PCA attracts water, trapping it in the skin to protect the skin barrier while sugar cane extract promotes skin cell turnover for a fresh, glowing complexion. Cucumber extract, a natural emollient, softens the skin and tightens pores while antioxidant-rich thyme extract safeguards your skin against free radicals and the signs of premature aging.

Indulge in the rejuvenating power of nature for a radiant and healthy skincare experience.

Step 3 of the 4-step Oi-Lin Skincare Regimen

BENEFITS

- Refreshes, tones, and soothes the skin
- Helps tighten appearance of pores
- Prepares skin for the application of moisturizers and foundation
- Helps balance and maintain skin's natural protective acid mantle
- Formulated with safe, natural ingredients
- Gentle, alcohol-free formula, ideal for sensitive skin

DIRECTIONS

Holding the bottle 6–8 inches away, spray facial toner onto cleansed skin. Use morning and night. For best results, follow with the Oi-Lin Deep Moisture Lotion.

FAQ

Q: Why do I need a facial toner?

A: Toner is essential in skincare for balancing pH, removing residual impurities, and enhancing the absorption of active ingredients. It refreshes and soothes the skin, providing a versatile and convenient step to achieve well-nourished and balanced skin.

Q: Why are antioxidants beneficial in skincare?

A: Antioxidants are like superheroes for your skin! They fight off harmful molecules called free radicals that can speed up aging and damage your skin. By using skincare products with antioxidants, you're giving your skin a powerful shield against things like pollution and sun exposure, helping it stay healthy, youthful, and glowing.

Q: Why is the skin barrier and pH balance important for skin health?

A: The skin barrier, also referred to as the stratum corneum, acts as a protective shield against external factors like pollutants, bacteria, and allergens. It also helps retain moisture, keeping your skin hydrated and resilient.

INGREDIENT HIGHLIGHTS

CUCUMBER EXTRACT

This natural emolient hydrates and soothes your skin while its astringent properties help clear and tighten the appearance of pores.

SODIUM PCA

A naturally occurring humectant, sodium PCA has exceptional water-absorbing properties and provides intense hydration for your skin.

THYME EXTRACT

This delicate herb contains powerful antioxidants that can help protect skin from free radical damage that can lead to premature aging.

SUGAR CANE EXTRACT

This natural source of glycolic acid (an alpha hydroxy acid) stimulates cell turnover to promote a fresh, radiant complexion. It also helps tighten pores and balance skin's pH level.
