

OI-LIN® NATURAL EMULSION SUNSCREEN SPF 30

This sunscreen does it all. Highly concentrated antioxidant vitamins A, B, and E synergize with citrus and herbal extracts to help skin maintain its youthful elasticity and diminish visible signs of aging. The SPF 30 formula is readily absorbed into the skin and provides intensive moisture that leaves skin feeling soft, smooth, and hydrated, making it great for dry, sun-damaged skin. The broad-spectrum formula ensures superior protection from the sun's harmful UVA/UVB rays and the signs of premature aging. The light fresh lemon scent is pleasantly uplifting, while the super-concentrated creamy formula means a little goes a long way.
