INGREDIENT HIGHLIGHTS

SQUALANE (VEGETABLE ORIGIN)

Our vegetable-derived squalane works wonders on all skin types, helping to hydrate and protect the skin, fight wrinkle formation, and prevent premature aging of the skin.

LYSINE PCA

A humectant and skin-conditioning agent, lysine PCA helps revitalize your skin on a cellular level and has powerful antioxidant properties to protect against pollution and the damaging effects of free radicals.

TOCOPHERYL ACETATE

is a very stable form of vitamin E with powerful antioxidant properties and skin-conditioning benefits. It combats free radicals and provides an extra layer of protection against UV rays.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturizing benefits. Its potent humectant properties also promote skin softness and intensive hydration.

FAQs

Q: What does “CC” stand for?

A: “CC” stands for “color correcting” or “complexion correcting.” The natural pigments in this lightweight formula instantly correct common complexion concerns, including redness, dark spots, dullness, sallowness, fine lines, and imperfections, while revealing a radiant glow. Your skin will look dewy and gorgeous, never overdone.

Q: Is Kandesn® CC Cream suitable for all skin types?

A: Yes! Made with botanically based ingredients, our skin-friendly formula is safe and gentle for all skin types, even sensitive skin.

Q: What skin tones does this product come in?

A: Kandesn® CC Cream comes in three skin tones: Fair, Light Medium, and Medium. Each versatile shade works beautifully on a range of skin tones and undertones.

HOW TO USE

Apply liberally 15 minutes before sun exposure. Reapply:

- after 40 minutes of swimming or sweating
- immediately after towel drying
- at least every 2 hours
