DR. CHEN® YOUTH MASQUE

Experience the rejuvenating effects of our creamy gel mask, designed to provide an instant burst of deep hydration that lasts all day. Salicylic acid gently promotes exfoliation to reveal smoother skin. Shea butter nourishes and moisturizes, enhancing the skin's natural radiance and softness. Plant-based squalane hydrates and enhances the skin's resilience, leaving it feeling smoother and suppler.

Suitable for both men and women, our deeply quenching, refreshing masque is the perfect addition to your skincare routine.

INGREDIENT HIGHLIGHTS

SALICYLIC ACID

Derived from willow bark, salicylic acid is a gentle exfoliant that helps remove dead skin cells and keep pores from clogging, promoting overall skin smoothness.

SHEA BUTTER

The high concentration of natural vitamins and fatty acids in shea butter makes it exceptionally nourishing and moisturizing for skin while also protecting the skin's moisture barrier. It also deeply hydrates to improve the appearance of skin's tone, texture, and suppleness while reducing the appearance of fine lines and wrinkles.

SQUALANE

Our vegetable-derived, premium-grade squalane helps to hydrate and protect dry skin, fight the appearance of wrinkles and prevent the signs of aging. This natural emollient helps improve the overall appearance of your skin's tone, texture, and suppleness.

FAQ

Q: Does Dr. Chen Youth Masque take the place of Oi-Lin® Clay Mask and Kandesn® Revitalizing Mask?

A: No. Dr. Chen Youth Masque is a hydrating mask, not a cleansing mask. It can also be used as a "sleeping mask," worn overnight to provide deep hydration to moisture-depleted skin cells. But, you should still apply the Oi-Lin Clay Mask for deep pore cleansing or the Kandesn Revitalizing Mask for a boost of antioxidants and complexion-energizing vitamins that support your beauty.

Q: Can I use the Dr. Chen Youth Masque during the day?

A: Yes, feel free to use the masque whenever you need a burst of moisture that lasts and lasts. Our masque also delivers an instant healthy radiance to your complexion, which makes it ideal for use as a quick "perk-me-up" facial, day or night.

Always read the product label—use as directed.
