Kandesn® Beauty Bar

THE BAR THAT ACTS LIKE A MOISTURIZER

Indulge yourself in the luxury of a Kandesn® Beauty Bar. It's a "soapless" bar that comes in a portable recyclable container. The slightly acidic formulation parallels the natural pH balance of the skin, so your skin feels cleansed but not dry. Do the pH test and see for yourself how even expensive brands of retail beauty bars are alkaline and will therefore dry out your skin. Expertly crafted with exclusive skin-nurturing ingredients, our beauty bar leaves skin clean, soft, and moisturized.

PHILOSOPHY OF REGENERATION®

The formula for Kandesn® Beauty Bar is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. As the largest organ in the body, the skin breathes, absorbs nutrients, and expels waste. Like the rest of our organs, it must be nourished and cleansed. This is why Sunrider doesn't use mineral oil or other inferior ingredients, which clog pores and suffocate the skin. Instead, we use the finest vegetable-based ingredients and herbal extracts to nourish, cleanse, and balance the skin to promote skin health and natural beauty. The Kandesn® Beauty Bar cleanses skin while supporting pH balance.

INGREDIENT HIGHLIGHTS

CORN STARCH

A fine white powder produced by milling maize seeds, corn starch is highly absorbent. It can help absorb any excess oil. Its soothing quality makes it an excellent remedy for skin problems.

CASTOR SEED OIL

A type of vegetable oil, castor seed oil is used as an emollient to maintain soft, supple skin.

FAQS

Q: What is a soapless cleanser?

A: Soap is typically made of a compound of natural oils or fats with sodium hydroxide or another strong alkaline solution. It's primarily used as a surfactant for washing, bathing, and cleaning. Soapless products are made without the combination of fats and alkaline products. Kandesn® Beauty Bar is slightly acidic and complements the natural pH balance of the skin, so your skin feels cleansed and refreshed but not dry.
