## FAQ

**Q: Can I use Oi-Lin® Deep Moisture Lotion as a makeup base?**

**A:** Yes, absolutely. Applying Oi-Lin® Deep Moisture Lotion before you put on makeup will prep the skin and add longevity to your makeup. The deep moisturizing benefits of this product also plump the skin, making skin look more youthful. And the makeup you apply on top of it will look smoother, with colors looking richer and more intense. Before applying the makeup, leave Oi-Lin® Deep Moisture on the skin for two minutes to allow time for it to be absorbed, and then apply your Kandesn® foundation.

## HOW TO USE
