

QUINARY®

Quinary® is a carefully crafted herbal blend featuring nearly 50 ingredients, including Licorice and Ginger—traditionally used in Herbal Medicine to help relieve coughs, bronchitis, and digestive upset. It also includes herbs used to help support intestinal wellness and relieve inflammatory conditions of the gastrointestinal tract, such as gastritis in adults. Designed to complement your daily wellness routine, Quinary® helps support your body's natural balance.

BENEFITS

- Supports digestive and respiratory wellness
- Formulated with natural, herbal ingredients
- Free from added stimulants and synthetic chemicals
- Concentrated herbal formula for convenient daily use
- Developed using traditional herbal knowledge and modern formulation expertise

FAQ

Q: I feel fine. Why should I take Quinary®?

A: Quinary® offers a proactive way to support digestive and respiratory wellness with ingredients like Licorice and Ginger, traditionally used in Herbal Medicine to help relieve coughs, bronchitis, and digestive upset.

Its formulation is based on Sunrider's Philosophy of Regeneration®, which emphasizes maintaining balance through daily support. Free from preservatives and synthetic chemicals, Quinary® is a convenient addition to your routine to help maintain overall well-being.

HOW TO USE

Powder: Adults: Mix 1 Quinary® package (5 g) with 180 mL – 240 mL of water, at mealtime. Take twice daily. Consult a health care practitioner for use beyond 2 weeks.

Capsule: Adults: Take 10 capsules twice daily at mealtime. Consult a health care practitioner for use beyond 2 weeks.

Always read the product label – Use as directed.

The information provided for the Recommended Use is applicable to products sold in Canada only. Please note that daily dosage and labeling instructions differ between Canada and the United States. Also, please be aware that everyone's body is unique and may react differently to our products. The Recommendation for this product should be treated as the maximum daily recommended dosage for adults.

INGREDIENT HIGHLIGHTS

ALPHA 20C®

A herbal blend featuring Dandelion Root and Scutellaria—botanicals used in both Herbal Medicine and Traditional Chinese Medicine. Dandelion helps relieve digestive disturbances, while Scutellaria is known for its role in clearing heat and toxins, actions believed to help maintain general health and wellness.

CONCO®

Used in TCM to tonify and support healthy function of the spleen and stomach.

A.D.™

Includes Ginseng Root, Licorice Root, and Atractylodes—ingredients traditionally used to support digestive health and vitality.

L.S.™

Formulated with Cassia Tora Seed, Gou Teng Vine, and Sophora Flower, traditionally used to help maintain wellness.

P.A.™

Features herbs used in Traditional Chinese Medicine to help support respiratory wellness.
