FAQ

Q: Who can benefit from taking Dr. Chen® MetaBooster®?

A: Dr. Chen® MetaBooster® is formulated to support energy metabolism and provide antioxidants that contribute to maintaining good health. It may be suitable for individuals seeking nutritional support as part of a healthy, active lifestyle.

Q: Why are the highly concentrated antioxidants in Dr. Chen® MetaBooster® important?

A: Antioxidants play a role in neutralizing free radicals, which are naturally produced in the body during metabolic processes. By helping to stabilize these molecules, antioxidants support cellular health and contribute to overall well-being.

HOW TO USE

Adults: Take 2 capsules daily or as directed by a health care practitioner.

Always read the product label – Use as directed.

The information provided for the Recommended Use is applicable to products sold in Canada only. Please note that daily dosage and labeling instructions differ between Canada and the United States. Also, please be aware that everyone's body is unique and may react differently to our products. The Recommendation for this product should be treated as the maximum daily recommended dosage for adults.

INGREDIENT HIGHLIGHTS

L-ARGININE

A non-essential amino acid involved in protein synthesis and a source of antioxidants that help maintain good health.

N-ACETYL-L-CARNITINE HYDROCHLORIDE

This modified amino acid is a derivative of L-Carnitine that contributes to cellular energy metabolism and is involved in the transport of fatty acids within cells.

DL-ALPHA-LIPOIC ACID

An antioxidant that supports cellular energy production and helps maintain healthy glucose metabolism.

Medicinal Ingredients / Ingrédients médicinaux : Each capsule contains / Chaque gélule contient :

N-Acetyl L-carnitine hydrochloride / N-acétyl L-chlorhydrate de carnitine	204.4 mg
L-Arginine / L-arginine	114 mg
DL-alpha-Lipoic acid / Acide DL-alpha-lipoïque	84.8 mg
L-Lysine (L-Lysine monohydrochloride) / L-Lysine (Monochlorhydrate de L-lysine)	66.81 mg

Non-Medicinal Ingredients: Magnesium Stearate, Hypromellose.
Ingrédients non médicinaux: stéarate de magnésium, hypromellose.

In a vegetable-based capsule / En gélule à base végétale.
