

# CITRIC C™ TAB

Help support your health with Citric C™ Tabs. Our tabs are formulated with a body-boosting blend of natural ingredients, including citrus bioflavonoids, green tea leaf extract, and concentrated rose hips, all known for their antioxidant properties. The primary ingredient in Citric C™ Tab is vitamin C, a water-soluble vitamin necessary for normal growth and development. These chewable tablets are easy to eat and come in a tasty natural orange flavor for the maintenance of good health.

## BENEFITS

- Natural source of vitamin C for enhanced absorption
- A vitamin supplement for the maintenance of good health
- Aids in oral health

90 tablets

#26051

## INGREDIENT HIGHLIGHTS

### VITAMIN C

Antioxidant-rich vitamin C is needed for normal growth and development. Natural vitamin C is more readily absorbed by the body than synthetic vitamin C.

### ROSE HIPS

Rose Hips contain more vitamin C than oranges. They are also known for their mild diuretic properties.

### GREEN TEA LEAF

These antioxidant-rich tea leaves help to neutralize free radicals.

## FAQs

### Q: What are the benefits of taking this vitamin C supplement?

A: Vitamin C is an essential nutrient that we don't have the ability to produce in our bodies; we can only get it through our diets. It's high in antioxidants, which have been shown to help support the immune function and help neutralize free radicals. The vitamin C in this supplement is from a natural source of vitamin C, which unlike chemically derived versions, is not quickly excreted in the urine.

### Q: What about vitamins with higher doses?

A: Taking vitamins with too high of a dose can be dangerous and toxic. Our vitamins have a balanced formula, which makes them safe and effective.

## HOW TO USE

Adults: Chew 1 to 2 tablets daily.
