FAQ

Q: Does Fortune Delight® have caffeine?

A: This formulation includes green tea, which naturally contains caffeine. However, the caffeine content is reduced during processing, leaving only trace amounts. No caffeine is added during manufacturing.

Q: How does Fortune Delight® compare with other beverages?

A: Each serving of Fortune Delight contains 10 calories and 0 grams of sugar. It is formulated without added caffeine, fat, or artificial sweeteners, supporting hydration and antioxidant intake as part of a balanced natural health regimen.

HOW TO USE

Adults: Mix 1 Fortune Delight® package in 240 mL of water. Take once daily. Consult a health care practitioner for use beyond 12 weeks.

Always read the product label – Use as directed.

The information provided for the Recommended Use is applicable to products sold in Canada only. Please note that daily dosage and labeling instructions differ between Canada and the United States. Also, please be aware that everyone's body is unique and may react differently to our products. The Recommendation for this product should be treated as the maximum daily recommended dosage for adults.

INGREDIENT HIGHLIGHTS

GREEN TEA LEAF

A botanical extract traditionally used as a source of antioxidants, derived from the tea plant (*Camellia sinensis*).

CHRYSANTHEMUM FLOWER

A plant-based ingredient traditionally used in herbal formulations. It contains naturally occurring antioxidants and trace minerals such as calcium, magnesium, and potassium, which contribute to its supportive role in maintaining overall wellness.

JASMINE LEAF

A herbal ingredient known for its content of flavonoids—plant compounds recognized for their antioxidant activity. It supports antioxidant intake as part of a balanced natural health formulation.
