

# Product Fact Sheet

## Dr. Chen<sup>®</sup> Youth Emulsion

### BEAUTY THROUGH INNOVATION

Our age-defying Dr. Chen<sup>®</sup> Youth Emulsion is made with high concentrations of scientifically based ingredients, including resveratrol and stem cells derived from Swiss apple and French grape to help restore and maintain smoother, firmer, younger-looking skin. The light, silky-smooth formulation leaves skin feeling refreshed, supple, and looking radiant.

### PHILOSOPHY OF REGENERATION<sup>®</sup>

Our balanced approach combines cutting-edge science with the wisdom of our Philosophy of Regeneration<sup>®</sup>, which advocates nourishing, cleansing, and balancing the skin with the finest plant-based ingredients and the latest in stem cell research.

### INGREDIENT HIGHLIGHTS

#### STEM CELLS FROM SWISS APPLE AND FRENCH GRAPE

Components found in French grapes and Swiss apples have been shown to be rich sources of phyto (plant) stem cells. Probably the most widely and longest studied botanical is the vitis vinifera, otherwise known as the grape seed. Studies dating back more than a decade suggest that grape seeds are known to prevent the visible signs of skin aging, scavenge oxygen-free radicals, and inhibit UV radiation-induced activity. Similarly, stem cells from the skin of a rare Swiss apple have been shown to have excellent age-delaying and anti-wrinkle properties, and is currently one of the most pioneering and exciting ingredients in skin care.

#### SQUALANE

Derived from olive oil, our premium-grade squalane works wonders on all skin types, helping to hydrate and protect the skin, fight wrinkle formation, and prevent premature aging of the skin.

#### PEPTIDES

Peptides are chains of amino acids that are the building blocks of proteins in the skin. They support collagen production, visibly reducing the unwanted appearance of wrinkles to promote firmer, smoother, and more youthful-looking skin.

### FAQS

**Q:** Can I use Dr. Chen<sup>®</sup> Youth Emulsion with any cleanser?

**A:** Yes. You can use any of the gentle Sunrider<sup>®</sup> cleansers with Dr. Chen<sup>®</sup> Youth Emulsion. We recommend the Oi-Lin<sup>®</sup> Cleansing Cream and Oi-Lin<sup>®</sup> Revitalizing Cleanser. For beautifying moisture benefits, pair with Dr. Chen<sup>®</sup> Youth Masque.

**Q:** Is it safe to use for the delicate eye area?

**A:** While Dr. Chen<sup>®</sup> Youth Emulsion is definitely safe for the delicate eye area, we recommend layering the Youth Emulsion with the Oi-Lin<sup>®</sup> Eye Cream for an extra boost of hydration and protection of the eye area, which is the first area to show signs of aging.

### RECOMMENDATION

Apply a generous amount on clean face and neck, smooth in gently, use morning and evening.

### BENEFITS

- Plant stem cells promote youthful elasticity and diminish the visible signs of aging
- Hyaluronic acid and olive oil-derived squalane deliver intense moisturization
- Highly concentrated antioxidant formula with citrus and herbal extracts
- Formulated without mineral oil or other synthetic oils
