

Product Fact Sheet

Oi-Lin® Cleansing Cream

BENEFITS

- Gently cleanses and refreshes
- Supports skin's natural protective function
- Suitable for even sensitive skin
- Cleanses without drying skin
- Leaves skin feeling soft and smooth
- Rich in herbal extracts

CLEANSE, MOISTURIZE, AND START FRESH

Formulated to be extra gentle, this special cleansing cream lets people with sensitive skin enjoy its many benefits. Housed in an airless pump, Oi-Lin® Cleansing Cream gently lifts makeup and oily dirt without drying out the skin, yet it doesn't leave an oily feel. A broad array of herbal extracts and other botanically derived ingredients nurture the skin and help keep it moisturized, leaving skin feeling soft, smooth, and refreshed. The light, natural cucumber-melon scent is pleasant and gender neutral.

PHILOSOPHY OF REGENERATION®

The formula for Oi-Lin® Cleansing Cream is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health.

As the largest organ in the body, the skin breathes, absorbs nutrients, and expels waste. Like the rest of our organs, it must be nourished and cleansed. Oi-Lin® Cleansing Cream cleanses the skin to remove oil-based impurities and pollutants that can cause blemishes and premature aging.

INGREDIENT HIGHLIGHTS

SQUALANE (VEGETABLE ORIGIN)

Squalane derived from olive oil has powerful antioxidant properties and delivers a moisturizing effect that helps restore lost oils.

CAMELLIA SINENSIS

This ingredient rich in polyphenols and antioxidants helps to reduce the visible signs of premature aging.

JOJOBA SEED OIL

This emollient desert plant soothes skin while cleaning pores and follicles.

FAQS

Q: What is the benefit of non-alkaline skin care products like Oi-Lin® Cleansing Cream?

A: Alkaline skin is the opposite of oily, acidic skin. It becomes dry and sensitive, which can destroy collagen and lead to wrinkles, sagging, dullness, and inflammation. Use non-alkaline skin products like Oi-Lin® Cleansing Cream to match and help maintain your skin's natural, slightly acidic pH balance, while cleansing your skin of oil-based impurities.

RECOMMENDATION

Spread an ample amount of product over the entire face. Gently massage entire face with fingertips. Remove the cream with a damp cotton facial cloth. Oi-Lin® Cleansing Cream is part of Sunrider's special dual-cleansing system, in which use of the cleansing cream (an oil-based cleaner to remove makeup and oil) is followed by Oi-Lin® Revitalizing Cleanser for deep cleansing of the pores. For best results, follow with Oi-Lin® Facial Toner and Oi-Lin® Deep Moisture Lotion.
