Q: What are some complementary Sunrider® products?

A: After shampooing with Kandesn® Spa Shampoo, follow up Kandesn® Spa Conditioner. Our moisturizing and enriching formula will fortify your hair and prepare it for styling while taming flyaways and frizz. Our conditioner allows you to comb/brush through your hair effortlessly.

Kandesn® Styling Glaze is another complementary product. It can be applied to wet or dry hair, and its moisturizing benefits work wonders on dry, course, or damaged hair. To complete your hair-and body-care routine, we recommend Kandesn® Spa Hand & Body Lotion.
