INGREDIENT HIGHLIGHTS

JOJOBA SEED OIL

A natural emollient, jojoba oil's similarity to natural oils in skin allow it to absorb easily, making it a gentle, skin-softening moisturizer for all skin types.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturizing effects. Its potent humectant properties also promote skin softness and plumping hydration.

WHEAT GERM OIL

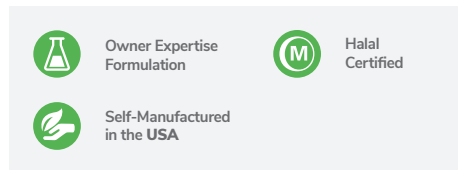

Extracted from the germ of the wheat kernel, this natural oil supports the body's ability to repair skin cells that have been damaged by the sun, pollution, or an unhealthy diet. The antioxidants also help fight free radical damage, which can accelerate the aging process on the skin.

SQUALANE (VEGETABLE ORIGIN)

Squalane derived from olive oil has powerful antioxidant properties and delivers a moisturizing effect that helps restore lost oils.

FAQs

Q: I read that the slightly acidic formulation of Kandesn® Revitalizing Masque harmonizes with skin's natural pH balance. Why is pH balance important?

A: The term pH stands for "potential hydrogen" and is used to describe the acid-alkaline ratio of a substance, which ranges from 0 (the most acidic) to 14 (the most alkaline). The skin's barrier, known as the acid mantle, is responsible for keeping in lipids and moisture while blocking germs, pollution, toxins, and bacteria. To function at its best, the acid mantle should generally be slightly acidic, with a pH of 4.5 to 5.5.

HOW TO USE

Clean your face with Kandesn® Cleansing Cream and Kandesn® Cleansing Foam or Oi-Lin® Warm Facial Scrub. Apply a thick layer of Kandesn® Revitalizing Masque gently with fingertips, avoiding eyebrows, lips, and hairline. Let dry for 10 to 20 minutes, then peel from bottom to top. Use once a week. Alternate with Oi-Lin® Clay Mask and follow with Step 4 of the Kandesn skin care regimen, Oi-Lin® Facial Toner.
