Product Fact Sheet

Kandesn® Spa Conditioner

CONDITION, BEAUTIFY, PROTECT

Our conditioner deeply yet gently moisturizes hair shafts without weighing them down. Fortifying and quick-acting, it helps minimize breakage and detangle hair for easy combing. Natural ingredients such as vegetable proteins protect from blow-dryer damage while avocado oil provides lustrous shine. A delicate fragrance leaves hair smelling clean and fresh.

PHILOSOPHY OF REGENERATION®

We use only the finest herbal extracts, botanicals, and therapeutic oils from around the world, which are then carefully formulated to create products that are supremely safe and effective. Our balanced approach combines cutting-edge science with the wisdom of the Philosophy of Regeneration®, which advocates nourishing, cleansing, and balancing the hair and scalp with the finest plant-based ingredients.

INGREDIENT HIGHLIGHTS

HYDROLYZED WHEAT PROTEIN

This moisturizing and conditioning protein derived from whole wheat supports the hair's ability to retain moisture and imparts luster and smoothness to damaged and dull hair. Due to its low molecular weight, it easily penetrates the hair shaft, building body and improving manageability.

TOCOPHERYL ACETATE

A very stable form of vitamin E, this antioxidant can reduce the formation of free radicals and provide an extra layer of protection against UV rays. It's able to penetrate the hair shaft, improving shine and fullness.

PANTHENOL (PROVITAMIN B5)

This powerhouse vitamin supports hair fiber and moisturizes the hair shaft, making hair appear thicker while reducing split ends, unwanted frizziness, and fly-away strands.

AVOCADO OIL

This natural oil is good for moisturizing dry, brittle, and damaged hair and contains many nutrients, such as vitamins A, B, D, E, protein, amino acids, and folic acid, which support hair growth. It also has natural humectant properties, adding and locking in moisture.

FAQS

Q: Why should I chose this conditioner over others?

A: Kandesn® Spa Conditioner's superior formula helps you comb through hair effortlessly after shampooing. Our moisturizing and enriching formula fortifies hair, preparing it for styling and taming flyaways and frizz. It's made with wheat protein, panthenol, and specially developed amino acids to help rebuild and protect hair from breakage. Free of harsh synthetic agents that can irritate the scalp, the fresh-scented, scalp-nourishing formula conditions without weighing hair down.
