BENEFITS

- Light, breathable coverage
- Instant complexion correction
- Broad-spectrum SPF 30 mineral sunscreen
- Rich in botanical moisturisers
- Age-defying ingredients
- Paraben-free, cruelty-free

HOW TO USE

For best results, apply a small amount of the CC Cream to clean, moisturised skin. Blend evenly with your fingers, a makeup sponge, or a brush, focusing on areas that need more coverage. Different CC Cream shades can be blended to match your unique skin tone.

You can wear Kandesn CC Cream alone or over your favourite moisturiser. It's also great for touch-ups anytime of day. For moderate coverage, smooth it on bare skin or mix it with Kandesn Deep Moisture Lotion. For full coverage, wear it under a foundation.

FAQ

Q: What does "CC" stand for?

A: "CC" stands for "color correcting" or "complexion correcting." The natural pigments in this lightweight formula instantly correct common complexion concerns, including redness, dark spots, dullness, sallowness, fine lines, and imperfections while revealing a radiant glow. Your skin will look dewy and gorgeous, never overdone.

Q: Is Kandesn CC Cream suitable for all skin types?

A: Yes! Made with botanically based ingredients, our skin-friendly formula is safe and gentle for all skin types, even sensitive skin.

Q: What skin tones does this product come in?

A: Kandesn CC Cream comes in four skin tones, Fair, Light Medium, Medium and Rich. Each versatile shade works beautifully on a range of skin tones and undertones.

INGREDIENT HIGHLIGHTS

SQUALANE

Our vegetable-derived squalane works wonders on all skin types, helping to hydrate and protect the skin, fight wrinkle formation, and prevent premature aging of the skin.

LYSINE PCA

A humectant and skin-conditioning agent, lysine PCA helps revitalise your skin on a cellular level and has powerful antioxidant properties to protect against pollution and the damaging effects of free radicals.

TOCOPHERYL ACETATE

A highly stable form of vitamin E with powerful antioxidant properties and skin-conditioning benefits, this ingredient combats free radicals and provides an extra layer of protection against UV rays.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturising benefits. Its potent humectant properties also promote skin softness and intensive hydration.
