INGREDIENT HIGHLIGHTS

PEA PROTEIN

This plant protein contains all nine essential amino acids—including branched-chain amino acids (BCAAs)—to effectively assist in building lean muscle.

LYCIUM FRUIT

Also called goji berries, this fruit contains antioxidants and an excellent source of vitamins and minerals.

GARCINIA FRUIT

This natural source of hydroxycitric acid (HCA) helps control appetite and support a healthy metabolism. Garcinia has been used safely for centuries to make meals more filling.

FAQ

Q: How is SunTrim® Shake different from other protein and workout supplement shakes?

A: Our plant-based formula is free of the harmful ingredients commonly found in other shakes, including chemical additives and artificial colors, flavors, and sweeteners. SunTrim® Shake is also a whole-food based supplement with natural vitamins and minerals for maximum nutrient absorption.

Q: Is SunTrim® Shake easy to digest?

A: Yes. Unlike powders that contain chemically processed or animal-based protein, SunTrim® Shake is a 100% vegan formula that's easy-to-digest nutrition without the bloating or discomfort.

Q: Does SunTrim® Shake provide complete protein?

A: Absolutely. Each serving supplies all nine essential amino acids and the high-protein benefits of a dairy or whey protein but in a 100% vegan formula. SunTrim® Shake satisfies your appetite and helps curb cravings.

HOW TO USE

Adults: Mix 1 package per day with 1-2 cups of water, milk, almond milk or favourite healthy beverage in a shaker bottle, immediately before consumption. Ensure to drink enough fluid before, during, and after exercise. Take with food a few hours before or after taking other medications or natural health products.
