FAQs

Q: Why is cleansing cream needed?

A: Properly done, cleansing removes all that dirt, sweat, and other pollutants your skin naturally collects throughout the day and night. This debris can clog pores and contribute to conditions such as acne, puffiness, and dull, dry, prematurely aging skin.

Q: This is a gentle cleansing cream, but is it effective?

A: While our cleansing cream is gentle on even super-sensitive skin, it's supremely effective, dissolving and lifting away even heavy makeup and foundation to help you get the best clean possible. Using it as part of your skin care regimen will leave your skin feeling clean, fresh, and hydrated, never tight or dry.

Q: How does this product fit into Sunrider's skincare regimen?

A: Oi-Lin® Cleansing Cream is part of Sunrider's special dual-cleansing system, in which this oil-based cleanser is followed by water-based Oi-Lin® Revitalizing Cleanser for deep cleansing of the pores. For a beautiful, radiant complexion, follow with Oi-Lin® Facial Toner and Oi-Lin® Deep Moisture Lotion.
