- Pleasant, refreshing scent
- Harmonizes with natural pH balance
- Suitable for all skin types
- Made with herbal extracts

THE NATURAL SOLUTION FOR DRY SKIN

Kandesn® Hand & Body Lotion deeply moisturizes dry skin with natural emollients and herbal extracts. You'll feel the difference the moment this herbal-scented lotion touches your skin. We designed this superior lotion to work in harmony with the body's natural pH balance. Enriched with vitamins and antioxidants to nurture and protect the skin, this formula is ideal for everyday moisturizing.

PHILOSOPHY OF REGENERATION®

The formula for Kandesn® Hand & Body Lotion is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. As the largest organ in the body, the skin breathes, absorbs nutrients, and expels waste. Like the rest of our organs, it must be nourished and cleansed. This is why Sunrider doesn't use mineral oil or other inferior ingredients, which clog pores and suffocate the skin. Instead, we use only the finest plant-based ingredients and herbal extracts to nourish, cleanse, and balance the skin to promote skin health and natural beauty. Kandesn® Hand & Body Lotion helps maintain pH balance while moisturizing, conditioning, and protecting the skin.

INGREDIENT HIGHLIGHTS

SQUALANE

A prized ingredient derived from olive oil, squalane has powerful antioxidant properties. It delivers a moisturizing effect that helps restore lost oils when applied to the skin. Non-irritating, it works wonders on all skin types.

ALOE VERA

This succulent plant helps support the repair of damage. Aloe vera is rich in vitamin C, E, and beta carotene, which imbues it with nourishing and protective qualities. It moisturizes the skin without making it greasy, so it's suitable for even those with oily skin.

TOCOPHERYL ACETATE

This natural form of vitamin E is a known antioxidant, anti-aging agent, and moisturizer.

RECOMMENDATION

Smooth Kandesn® Hand & Body Lotion over entire body after bath and as needed to moisturize dry areas.
