FAQs

Q: What is the role of water element herbs?

A: Water element herbs promote balance and fluidity in the body. They primarily address the kidneys and bladder, the two organs most associated with this element in traditional Chinese medicine. When this element is in balance, you are observant, introspective, and calm. When it's out of balance, you can become isolated, fearful, and forgetful.

NOURISH + CLEANSE = BALANCE

Sunrider® products are based on a simple yet powerful idea that blends Traditional Chinese Medicine with advanced science. We call it our Philosophy of Regeneration®. When you nourish with only the finest natural ingredients and cleanse of harmful chemicals and artificial colors, flavors, and preservatives, you bring your body into balance. A balanced body is a healthy body.
