INGREDIENT HIGHLIGHTS

TOCOPHERYL ACETATE (NATURAL)

This form of vitamin E is known for its antioxidant properties and has the capability to neutralize free radicals and support good oral hygiene.

LICORICE ROOT EXTRACT

A staple in traditional Chinese medicine, licorice root has antioxidant, anti-inflammatory, and breath-freshening properties.

NEEM LEAF EXTRACT

This tropical plant has antiseptic properties and has shown to be effective in reducing plaque buildup.

SODIUM BICARBONATE

Commonly known as baking soda, sodium bicarbonate has mild abrasivity, making it gentle yet effective for cleaning teeth and gums.

FAQs

Q: How is SunSmile® Herbal Toothpaste different from other brands?

A: Most mainstream toothpastes must include a warning label because they contain chemicals that can be potentially harmful if swallowed or absorbed. Most brands are made with artificial additives and abrasive cleaning agents, too.

In contrast, SunSmile® Herbal Toothpaste is made with natural ingredients, free of potentially harmful chemicals and artificial colors, flavors, and preservatives. Even its minty green color and flavor come from concentrated herbs like peppermint oil.

HOW TO USE

Brush your teeth regularly with SunSmile® Herbal Toothpaste in the morning, after you eat, and at night. You will feel refreshed, smell great, and ready to smile all day long.
