INGREDIENT HIGHLIGHTS

NIACINAMIDE

This form of vitamin B3 helps support collagen production, which helps diminish the appearance of fine lines, wrinkles, and pores while improving elasticity.

ALLANTOIN

A natural compound found in many plants which keeps skin moisturized and prevents dryness and irritation.

BETROOT EXTRACT

This vegetable extract is rich in vitamin C, which combats free radicals and supports collagen production. This natural extract also provides instant and long-lasting hydration.

FAQs

Q: What is a double cleanse?

A: The double cleanse involves washing your face in two steps: First by using an oil-based cleanser like Kandesn® Pure Cleansing Oil, followed by a water-based cleanser like this product. The first step draws out oil-based impurities such as makeup, sebum, sunscreens, and pollutants, while the second step cleanses water-based debris such as sweat and dirt. Our foaming cleanser not only purifies your skin, it also revs up your skin's circulation to boost radiance while prepping your skin to receive the full benefits of the treatments to follow.

Q: I have very sensitive skin. Can I use this product?

A: As with all products in the Kandesn® Pure skincare line, our foaming cleanser is ideal for all skin types, is cruelty-free, and contains no added fragrances, harsh chemicals, or animal by-products. It's skincare that will make you look good, and you can feel good about using it.
