Expertly made with an ultra-concentrated blend of antioxidant vitamin E, herbal extracts, soothing natural oils, and seaweed extracts, it leaves skin feeling dewy soft and deeply conditioned, even after washing.

PHILOSOPHY OF REGENERATION®

The formula for Oi-Lin® Hand & Body Lotion is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. As the largest organ in the body, the skin breathes, absorbs nutrients, and expels waste. Like the rest of our organs, it must be nourished and cleansed. This is why Sunrider doesn't use mineral oil or other inferior ingredients, which clog pores and suffocate the skin, in any of our skin care products. Instead, we use only the finest vegetable-based ingredients and herbal extracts to nourish, cleanse, and balance the skin to promote skin health and natural beauty.

INGREDIENT HIGHLIGHTS
