# Product Fact Sheet Kandesn® Gentle Cleanser

## CLEANSE AND BALANCE

Designed for all skin types, Kandesn® Gentle Cleanser is especially good for sensitive or problem skin, including oily, irritated, or acne-prone skin. Soothing herbal extracts gently yet effectively remove excess oil, dirt, and makeup, while protecting the skin's natural moisture barrier. It leaves skin feeling clean, soft, and refreshed, never dry or tight. And unlike some other gentle or sensitive skin cleansers, it rinses off completely, leaving no residue. The slightly acidic formula is designed to be in balance with the skin's natural pH, which helps balance the skin's crucial oil-to-water ratio.

## PHILOSOPHY OF REGENERATION®

Kandesn® products are formulated using the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. The formulas are pH balanced so they work with your skin, protecting it with the perfect balance of alkaline and acidic qualities.

## INGREDIENT HIGHLIGHTS

### WITCH HAZEL

### LEMON EXTRACT

One of the main components of lemon extract is citric acid, which is effective against a number of skin problems.

### GREEN TEA

This plant extract is suitable for all skin types and contains super antioxidants that help protect skin from environmental damage.
