

Product Fact Sheet

Kandesn[®] Dual Pressed Powder

CUSTOMIZABLE COVERAGE

Equally effective as a liquid foundation and as a translucent powder, this powder performs double duty: When applied wet, it provides a matte finish; when applied dry, it supplies a sheer finishing touch. Either way, it provides excellent coverage for a clean, natural look. Housed in an attractive case with separate compartments for powder and sponge, Kandesn[®] Dual Pressed Powder is made with the highest quality ingredients like vegetable oils and naturally derived antioxidant vitamins A and E to protect from harsh environmental elements. It lets your skin breathe and gives it a smooth, supple look. Now talc free!

PHILOSOPHY OF REGENERATION[®]

Our balanced approach combines cutting-edge science with the wisdom of our Philosophy of Regeneration[®], which advocates nourishing, cleansing, and balancing the skin with the finest plant-based ingredients to promote skin health and natural beauty. To ensure your pores won't be blocked or suffocated, we never use mineral oil (or other petroleum by-products) or animal byproducts like lanolin.

INGREDIENT HIGHLIGHTS

TOCOPHERYL ACETATE

A very stable form of vitamin E, this antioxidant can reduce the formation of free radicals.

VITAMIN A PALMITATE

This fat-soluble vitamin provides anti-aging, antioxidant, and moisturizing support for the skin. It supports cell renewal and stimulates the collagen in the skin, helping to reduce the appearance of wrinkles and fine lines.

ZEA MAYS (CORN) OIL

Corn oil contains a high concentration of vitamin E (beneficial for the skin) and essential fatty acids.

FAQS

- Q:** I have limited time in the morning. Can I use Kandesn[®] Dual Pressed Powder on its own without foundation...will it give me adequate coverage?
- A:** Yes this powder may be used wet for a complete coverage or you can apply two applications of dry powder for an all-day coverage too!
- Q:** I have very dry skin and most powders make my skin look older and more lined. Will this powder be any different?
- A:** This powder will help your skin look hydrated if you use the Kandesn[®] Protective Foundation first. Then apply the powder on top for a complexion that looks beautiful and hydrated all day.

RECOMMENDATION

Apply with a damp sponge for heavier coverage and touch-ups. Apply with a dry sponge for a sheerer look.

BENEFITS

- Reduces the appearance of fine lines and imperfections
- Can be applied wet or dry for adjustable coverage
- Long-lasting wear that feels like your second skin
- Made with plant-based ingredients to allow skin to breathe
- Suitable for all skin types
