INGREDIENT HIGHLIGHTS

WHEAT GERM OIL

This oil is loaded with essential nutrients, such as plant proteins, fiber, vitamins, minerals (phosphorus, zinc, iron, selenium and potassium), and fatty acids that are beneficial to overall health.

BEE POLLEN

Considered one of nature's most completely nourishing foods, bee pollen contains vitamins, minerals, carbohydrates, lipids, and protein.

LEMON BIOFLAVONOIDS

This citrus fruit contains bioflavonoids that work with vitamin C to help promote immune system health.

ALFALFA CONCENTRATE

This plant is a good source of calcium, potassium, phosphorus, and iron, as well as vitamins A, C, E, and K4. It also contains digestive enzymes that help the body absorb nutrients.

FAQs

Q: Why should I take a multivitamin?

A: A multivitamin is like an insurance policy, a daily safeguard to ensure your body gets the vitamins and minerals it needs. Metabalance 44® contains a broad spectrum of vitamins and minerals that can fill the nutritional gaps in your diet.

Q: How is Metabalance 44® different from other brands?

A: Our formula is made with naturally powerful superfoods like bee pollen, wheat germ oil, rice bran, and beet root powder, so your body will recognize the ingredients as nourishment and absorb their highly beneficial nutrients.
