INGREDIENT HIGHLIGHTS

SALICYLIC ACID

Derived from willow bark, salicylic acid is a gentle exfoliant that helps remove dead skin cells and keep pores from clogging.

SHEA BUTTER

The concentration of natural vitamins and fatty acids in shea butter makes it incredibly nourishing and moisturizing for skin while also supporting collagen production. It's a natural remedy for dry skin and helps protect the skin's natural oils.

SQUALANE

Our vegetable-derived, premium-grade squalane works wonders on all skin types, helping to hydrate and protect the skin, fight wrinkle formation, and prevent premature aging of the skin.

HOW TO USE

After cleansing the skin, apply facial toner and special treatments. Then apply Youth Masque to whole face. There is no rinse off product. It will provide moisturization for the entire day.

FAQs

Q: Does Dr. Chen® Youth Masque take the place of Kandesn® Revitalizing Mask?

A: No. Dr. Chen® Youth Masque is a hydrating mask, not a cleansing mask. It can also be used as a "sleeping mask," worn overnight to provide deep hydration to moisture-depleted skin cells. But, you should still apply the Kandesn® Revitalizing Mask for a boost of anti-aging antioxidants and energizing vitamins that support skin's texture and its mantle barrier.

Q: Can I use the Dr. Chen® Youth Masque during the day?

A: Yes, feel free to use the mask whenever you need a burst of moisture that lasts and lasts. Our masque also delivers an instant healthy radiance to your complexion, which makes it ideal for use as a quick "perk-me-up" facial, day or night.

NOURISH + CLEANSE = BALANCE
