

# SPIRULINA

With more protein, per weight, than chicken, soy, or beef, Spirulina is a source of amino acids and vitamin A, for maintenance of good health, to help in the development and maintenance of bones and teeth as well as to help maintain immune functions. Spirulina is the superfood that you need to work into your diet. This blue-green algae has been harvested from salty lakes in Latin America and Africa for hundreds of years, and is one of the oldest life forms on earth. See what it can do for your well-being.

## BENEFITS

- No chemicals or additives
- Super concentrated

 Owner Expertise Formulation	 Kosher Certified
 Self-Manufactured in the USA	 Halal Certified
 Made with Natural Ingredients	 NSF Certified

100 capsules

#28061

## INGREDIENT HIGHLIGHTS

### SPIRULINA

Widely known as “the original superfood,” spirulina provides various vitamins and minerals. It’s particularly rich in beta-carotene (a precursor to vitamin A). Spirulina is commonly taken to support overall health and to help maintain immune functions.

## FAQs

### Q: What is spirulina and where does it come from?

**A:** Spirulina is a species of edible micro algae that grows naturally in warm ponds and lakes. Spirulina is also cultivated and harvested in man-made reservoirs. In its natural state, it has a mild taste common to freshwater algae and has a long history of human consumption.

### Q: Why is the Sunrider brand of spirulina better than other brands?

**A:** Sunrider’s owners are experts in the fields of health and science. Sunrider’s exclusive formulas are made using a trade-secret process that extracts and concentrates a product’s beneficial nutrients while minimizing any negative properties. This results in products that are superior in concentration, safety, and effectiveness.
