FAQs

- Q:** How is SunSmile® Kids Herbal Toothpaste different from other brands?
- A:** Most mainstream toothpastes must include a warning label because they contain chemicals that can be potentially harmful if swallowed or absorbed. Most brands are made with artificial additives and abrasive cleaning agents, too.
- In contrast, SunSmile® Kids Herbal Toothpaste is made with natural ingredients, free of potentially harmful chemicals, artificial colors, and flavors. Its fun color and berry flavor come from natural fruit and herbal extracts.
