FAQs

Q: How does digestion work?

A: Simply put, digestion is the breakdown of food into smaller and smaller components, until they can be absorbed and assimilated into the body as nutrients, which then are used for energy, growth, and cell repair. Assimilaid® supports this entire process.*

Q: How does Assimilaid® support digestion?

A: Assimilaid® is designed to address your digestive system with “earth element” herbs that help your body process food quickly and efficiently.* In Ancient China, a similar formula was used to aid digestion in the stomach, lubricate the intestinal tract, and alleviate digestion-related ailments like heartburn and upset stomach. Assimilaid® is one of the five formulas in our bestselling Quinary®, too.

HOW TO USE

Take two capsules three times a day at meal time, or open two capsules and dissolve contents in water to drink as tea.
