INGREDIENTS

Marine Collagen, Biotin (Vitamin B7),
Hyaluronic Acid, Vitamin C

INGREDIENT HIGHLIGHTS

MARINE COLLAGEN

A naturally occurring protein that helps provide structure to the body's connective tissues. Marine collagen offers a source of peptides that support the maintenance of healthy skin, hair, and nails.

BIOTIN (VITAMIN B7)

An essential B vitamin that contributes to the maintenance of normal hair and nails. Biotin also supports the normal metabolism of proteins, which are building blocks for hair, skin, and nails.

HYALURONIC ACID

A water-attracting molecule that helps to support skin hydration and maintain its smooth appearance.

VITAMIN C

An essential nutrient that contributes to normal collagen formation, supporting the healthy function of skin, cartilage, bones, and blood vessels.

HOW TO USE

Mix one scoop (5 g) into 250 - 300 ml of water twice a day. This product is flavor-free and dissolves easily in both hot or cold liquids, making it perfect to mix with Fortune Delight®, Calli®, smoothies, yogurt, and more. Two servings a day are recommended for the best results.

FAQs

Q: What is hydrolyzed marine collagen?

A: Hydrolyzed marine collagen is collagen from fish that has been broken down into smaller peptides through a process called hydrolysis. This makes it easier to dissolve and incorporate into food and drinks.

Q: Why use marine collagen?

A: Marine collagen is one of several sources available, including bovine, porcine, or chicken. Using marine collagen also supports sustainability by making use of fish parts that would otherwise be discarded.

NOURISH + CLEANSE = BALANCE

Sunrider® products are based on a simple yet powerful idea that blends Traditional Chinese Medicine with advanced science. We call it our Philosophy of Regeneration®. When you nourish with only the finest natural ingredients and cleanse of harmful chemicals and artificial colors, flavors, and preservatives, you bring your body into balance. A balanced body is a healthy body.
