

Apple cider vinegar speeds up metabolism and promotes weight loss.

Health Benefits

- Helps in weight loss & reducing belly fat
- Helps improve heart health & stronger immunity
- Helps digestion better
- Helps to control sugar
- Helps in shiny hair & glowing skin

The image shows a bottle of NutritioGeny Apple Cider Vinegar with Mother. The label features a mountain range, apples, and the text 'RAW | UNFILTERED | UNPASTORIZED'. Below the label, there are four icons representing: WEIGHT MANAGEMENT, SUPPORT HEART HEALTH, IMPROVES DIGESTION, and IMPROVES SKIN AND HAIR. The net quantity is 500 ML. To the right, a circular diagram lists five health benefits, each with a corresponding icon: a bikini for weight loss, a heart with a pulse line for heart health, a stomach for digestion, a glucose meter for sugar control, and a woman's hair for skin and hair benefits.
