All Large Prizes from Historic April 29 Powerball Drawing Have Been Claimed

TOPEKA, KAN. – The April 29, 2026, Powerball drawing was a historic night in Kansas, as one lucky player matched all five numbers and the Powerball to win the jackpot. Six other \$1 million or higher prizes were also hit in that drawing, which set a record for the Kansas Lottery.

The Kansas Lottery is happy to report that all the big prizes, including the jackpot prize, have been claimed. All winners chose to remain anonymous following their claim.

Winning tickets were sold all over the Sunflower State, starting with the grand prize ticket. The jackpot winning ticket was sold at Dillons 57 on 200 Greenway Street in Derby. The retailer is eligible for a \$10,000 bonus for selling the winning ticket.

The \$2 million winning ticket was sold at the All Star Prescott on 21356 KS Highway 239 in Prescott. All the way across the state, a \$1 million ticket was sold at the Corner Market at 2337 Washington Street in Great Bend.

QuikTrip 396R at 324 South West Street in Wichita sold a \$1 million winning ticket, as did QuikTrip 264 at 10701 Shawnee Mission Parkway in Shawnee.

Dillons had the most big winning tickets in the drawing, as the grocer sold two other \$1 million prizes to accompany the jackpot winning ticket. Dillons 87 at 5311 SW 22nd Place in Topeka and Dillons 95 on 1235 East Cloud Street in Salina joined the Derby store as a winning retailer location. All of the \$1 million and \$2 million prize selling retailers are eligible for a \$1,000 selling bonus.

The next Powerball drawing is tonight, May 13, 2026, for \$69 million. Joining Powerball with drawings tonight are Lotto America (\$25.4 million), Super Kansas Cash (\$230,000), and Millionaire for Life (\$1 million a year for life). These games and more are available at every Kansas Lottery retailer.
