

# Team Conflict Protocol

Think about your ideal team: how would it handle conflict and disagreements?

---

---

What are the dos for handling conflict within the team?

---

---

---

---

What are the don'ts for handling conflict within the team?

---

---

---

---

It takes 6-9 months to change behavior. How will you hold each other accountable for following these agreements?

---

---

What is one thing we should focus on as a team?

---

---
