GS1 standards in action across retail

Hi contact.firstname

Welcome to the latest edition of GS1 Australia Retail News. A monthly communication for members and contacts to keep updated on market trends, events and latest industry initiatives.

APPEX: 12-15 March 2024

AUSPACK has evolved

Australia's largest Processing and Packaging Expo is coming to the Melbourne Convention and Exhibition Centre. An event for manufacturing, retail and distribution to source the latest in machinery, equipment, materials and packaging, food processing and industry services. Registrations open in November 2023.

**Standards in Action Award 2023**

Announced on 14 October, the 2023 GS1 Standards in Action Award recognises the remarkable people who provide their time, passion and expertise to drive transformation within industry.

This year the award goes to John Leorke from Puma Australia, for promoting and advocating the vital role GS1 global standards play in the implementation of RFID to enable accurate identification and traceability.
Getting started with your barcodes

Need a little extra help?

GS1 Australia runs training sessions to help guide members on creating, using, assigning and printing barcodes, along with many other useful tools.
