

TGA AusUDID GS1 Alerts

Contents

ALERT 1 - AusUDID Pre-Prod - Registered	2
ALERT 2 - AusUDID Pre-Prod - Validated	3
ALERT 3 - AusUDID Production - Registered	4
ALERT 4 - AusUDID Production - Live	5

ALERT 1- AusUDID Pre-Prod- Registered

<Date>

The Sponsor, **<Company A>** has:

- ✓ Registered to publish data to the Australian Unique Device Identification Database (AusUDID)* **Pre-Production** environment via the National Product Catalogue (NPC).

Next Steps for you:

1. Login to your NPC Catalogue (NPC GLN)
2. Review or create the items you wish to publish to the AusUDID
3. Publish all relevant medical device items to the AusUDID (**Pre-Production** environment GLN).

GS1 will then notify the TGA that you have published data and subscribe the AusUDID to your catalogue. Your data will then flow to the AusUDID **Pre-Production** environment who will validate the records.
