## \*Section 6: Schedule of Fees

- Membership subscriptions are charged annually and are based on the annual turnover of the membership business entity.
- Turnover means the Australian based revenue, for a twelve month period, of your organisation including all related subsidiary entities in which you have a majority interest, regardless of the number of products or objects utilising the GS1 system.
- Please advise us of your current annual turnover and/or select one of the following turnover bands applicable to your organisation.
- You must advise GS1 Australia in writing when your company moves into a new turnover category as this may affect your fee calculation for ensuing years.
- GS1 may make inquiries of third parties (including financial institutions, ASIC, credit reporting agencies, and any personal credit and/or consumer credit information providers) to obtain Your turnover to determine the fees applicable to you, and to verify any turnover information you provide.
