Section 3: Payment Methods

Payment must be submitted with your application.

To assist with efficient processing of your request, please provide payment using one of the options below. An invoice/receipt for payment will be sent to you with a confirmation email when your request has been processed.

Option A: Direct Debit Payment

- Download the **Direct Debit form** and provide with this application form.
- Invoices paid by Direct Debit from Bank Account will receive 2% discount.
- When using Direct Debit from Credit Card the 2% discount will not be applied, refer to our **Terms of Trade**.
- Initial payment for allocation of new numbers must be submitted upon application. Direct Debit payment will apply to all future renewal invoices for membership and any registered services.

Option B: Credit Card Payment

- If you wish to make a credit card payment over the phone, please call **1300 227 263**.

Option C: EFT Payment

- Please email your application along with a Remittance Advice to **customer.service@gs1au.org** or fax to +61 3 9558 9551
- GS1 Australia Bank Details
  Bank National Australia Bank **Account Name** GS1 Australia Ltd. **BSB No.** 083 266 **Account No.** 69615 7718

Section 4: Product Return

☐ I will arrange to collect the Transport Label samples (within 7 working days after the Transport Labelling Certification Testing has been completed).

☐ I do not require Transport Label samples to be returned (samples will be disposed of 7 working days after the report or have been issued to the company contact).

Section 5: Transport Labelling Product Certification

Transport Labelling Product Certification

- Complete the transport standards certification form and post it together with the relevant printed transport labels (as per **Scan4Transport-Encoding Transport Process Information GS1 Implementation Guideline** to the Barcode Verification Testing Team:

GS1 Australia
Melbourne Barcode Testing Team
8 Nexus Court
Mulgrave VIC 3170

GS1 Australia
Sydney Barcode Testing Team
Lakes Business Park, Building 4B 2-4 Lord Street
Botany NSW 2019

- Our Barcode Testing Team will complete testing and communicate results in 4 – 8 working days.
- Upon completion of testing, an invoice will be issued to the company and nominated contact.
- Upon receipt of payment, the Product Certification Certificate and logo will be sent via email.

Transport EDI Software Certification

- Complete the transport standards cerification form and email to **freight.logistics@gs1au.org**
- A GS1 EDI Consultant will be assigned to discuss the certification process.
- Develop the relevant XML transport message template (as per **Australian Transport EDI Guideline**) into your solution.
- GS1 EDI Consultant will specify various transport scenarios and request XML message samples. You will also need to provide examples, ie, screenshots demonstrating your software's ability to process the message.
- Review of XML files and reports/screenshots showcasing ability to process EDI messages is expected to be completed in 4 – 8 working days.
- Upon completion of testing, an invoice will be issued to the company and nominated contact. Upon receipt of payment, the Product Certification Certificate and logo will be sent via email.

Section 6: Terms and Conditions

- GS1 Australia prides itself on the quality of our marketing material and, in accordance with our **Privacy Policy**, will only send you information we believe to be relevant to you. In accordance with the Australian Anti-Spam Legislation we respect that you may not want to receive this information. You can unsubscribe from any direct marketing material at any time, by either unsubscribing from that communication or by doing so in the Preference Management Centre, subject to that material not being considered essential to your role within the GS1 Australia Subscription Membership.
- Transport Standards Certification is granted for specific software versions only. Certification cannot be claimed for software versions not approved and listed as such by GS1 Australia on its website. Any major change to the software excepting for minor bug fixes that results in a new version will be required to be resubmitted for compliancy review.
- Certification of Transport Labelling and/or EDI Software only entitles the organisations developing, distributing or using the certified versions of the software to represent that the software is certified and not the organisation or its team members. The organisation warrants that it will only use the certification marketing seals granted to it for the purpose the seals were intended.
- GS1 does not warrant that any transport labels and/or EDI produced by certified software will be fit for purpose or compliant with the standards, that the transport standards will not change in the future requiring further certification, or that the organisation seeking software certification will derive any material benefit from such certification. GS1 does warrant that the software submitted for compliancy is capable of generating standards compliant labels. Organisations using compliant software will endeavour to use all reasonable efforts to ensure that the information encoded within the label is legitimately applicable and available to be used.
