

The Global Language of Business

GS1 Australia Knowledge and Event Centre

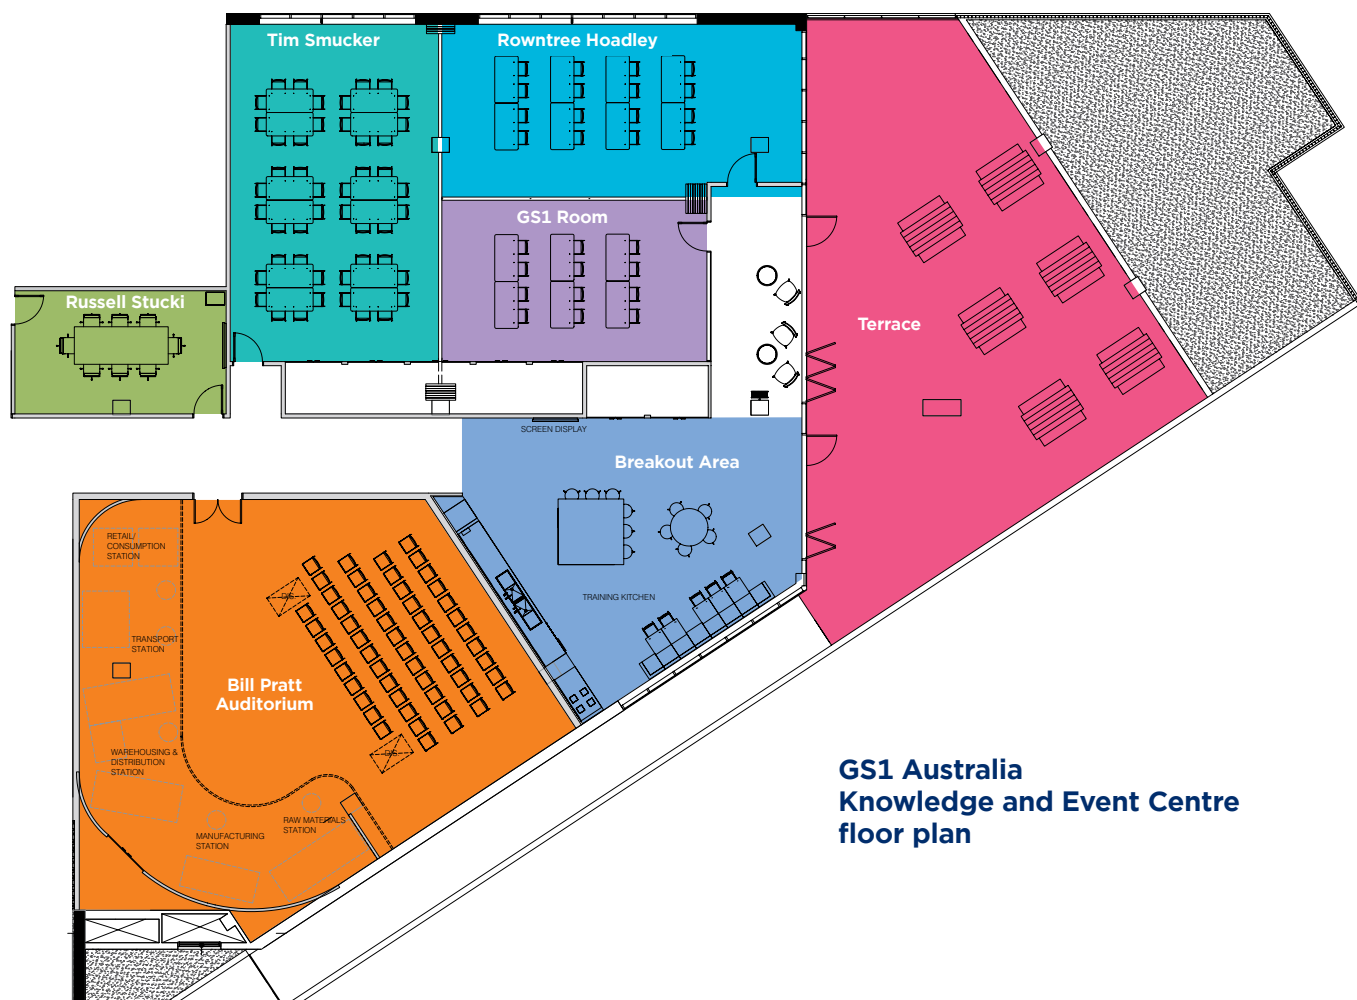

Ideally located in the business hub of the eastern suburbs and only 30 minutes from Melbourne's CBD, the GS1 Australia Knowledge and Events Centre offers outstanding meeting and training facilities. This modern, well-appointed facility accommodates different types of events from a team meeting for eight people, a seminar for 150, a presentation in the 56-seat auditorium, or other functions to suit your business meeting requirements.

We can configure the rooms in any formation you require and trust that your event will be exceptional. Our range of room options can fit all budgets. Call us on **1300 BARCODE** to arrange your next event.

About GS1 Australia

GS1 Australia is the leading provider of standards and solutions for over 20 industry sectors. We introduced barcoding to Australia in 1979 and today we enable more than 17,000 member companies, of all sizes, to become more efficient by implementing the GS1 system.

We bring businesses, associations and industries together. This blended community comes to GS1 Australia for advice, networking and solutions to

their supply chain challenges. We partner with, and help showcase, members, solution providers and industry leaders to demonstrate and encourage supply chain best practice.

We offer a range of value adding services that support our members through their journey including consulting, solution selection and compliance.

GS1 Australia makes a real and tangible difference to businesses. We are integral to your supply chain success.
