

ecobee3 lite SMART THERMOSTAT

**No recharging or power stealing.
5-year Pro install warranty.**

5-YEAR PRO INSTALL WARRANTY

Get an extra 2 years of warranty when you professionally purchase and install your ecobee3 lite.

Why pros love us.

No power-stealing or recharging

No common wire? No problem. ecobee comes with a Power Extender Kit so it doesn't rely on other equipment to charge itself.

Compatible with most

Works with gas, oil, electric, and dual-fuel systems. Supports conventional (2H/2C) and heat pump (4H/2C) systems. For full details, visit ecobee.com/compatibility.

Easy to install

Everything you need comes in the box, plus direct access to support when needed.

Helps manage hot or cold spots

Pairs with Room Sensors™ to help with hot and cold spots throughout the home. Room Sensors measure temperature to deliver comfort to the rooms that matter most. Sold separately.

Why consumers love us.

Control from anywhere

Customers can control their ecobee from anywhere with an iOS or Android device.

Pays for itself in under 2 years*

Keeps energy use low when no one is home, making way for savings where it counts.

*Compared to a 72°F hold.

At your convenience

Monitors heating and cooling systems and alerts customers if it senses something is wrong.

Support Hours

Available 8am-11pm (Mon-Fri) and 9am-9pm (Sat-Sun). 1.866.518.6740 | support@ecobee.com | ecobee.com/contractors
