

AUTOMATED CONVEYOR WEIGH SCALE- EXPLOSIVE ENVIRONMENT

Machine Category: Specialty Food Conveyor

Industry: Food Processing Equipment

Country: USA

Product Series:
IXARC Explosion Proof ATEX Encoder- Ethernet IP

Specification:

- Absolute
- Ethernet IP
- Cable gland output
- 12/ 14 Bit

Competing Technical Solution:
Dyanpar

Benefits of Technical Solution

Customer is looking to branch into dry powder foods and had customer Europe. We connected through leads and came to understand the encoder is used to provide position and velocity feedback. The Explosion Proof is necessary due to the dry powder having highly combustable rating. Our product provide the resolution and update speed for the application.

Reasons for Choosing POSITAL

- Availability and short delivery time
- Regional knowledge of Food grade Motion solutions
- Ian G has relationship with customer for 20 years
- Quick response to issues on the prototype.
