

DRILLING MACHINERY

Machine Category:
Drilling Machinery

Industry: Construction Machinery

Country: China

Product Series:
OCD Explosion-Proof Absolute Encoder

Specification:
IXARC Absolute Rotary Encoders with ATEX Zone 2&22 Certificate

Competing Technical Solution:
P+F, Kubler

Benefits of Technical Solution

This machine is designed to place drill pipes and tubes and connect them with other parts of the drilling machine. Absolute encoders with CANopen interface allow the system with a CAN controller to precisely monitor the arm & main body movement and ensure the bridging drill pipes and tubes correctly. With an explosion proof design, the encoder can assist the machine even in a harsh environment.

Reasons for Choosing POSITAL

High cost performance!
Reliability and Explosion-Proof Capability
