NUCOR CORPORATION DECLARATION DIRECTIVE ON THE RESTRICTION OF THE USE OF HAZARDOUS SUBSTANCES IN ELECTRICAL AND ELECTRONIC EQUIPMENT (RoHS)

To whom it may concern:

Nucor Corporation declares that all *uncoated* sheet steel, including Hot Rolled steel, Cold Rolled steel and CastripTM products, produced by Nucor Sheet Mill Divisions does not contain substances that exceed the maximum concentration values restricted by 2002/95/EC (RoHS), 2011/65/EU (RoHS 2) and 2015/863/EU (RoHS 3). In addition, none of the RoHS hazardous substances are intentionally introduced to the substrate during the manufacturing process. These hazardous substances are listed in the table below along with their RoHS Maximum Concentration Values:

| Substance | RoHS Maximum Concentration Values |
|------------------------------------|-------------------------------------|
| | (by weight in homogeneous material) |
| Cadmium & Cadmium Compounds | 0.01% |
| Hexavalent Chromium | .1% |
| Lead & Lead Compounds | .1% |
| Mercury & Mercury Compounds | .1% |
| Polybrominated Biphenyls | .1% |
| Polybrominated Diphenyl Ethers | .1% |
| Bis(2-ethylhexyl) Phthalate (DEHP) | .1% |
| Butyl benzyl Phthalate (BBP) | .1% |
| Dibutyl Phthalate (DBP) | .1% |
| Diisobutyl Phthalate (DIBP) | .1% |

Please note that this Declaration may not extend to coated sheet steel products. Coated (galvanized and galvanneal) products from all Nucor Sheet Mill Divisions may contain Hexavalent Chromium chemical treatment that may not comply with the Directive.

If requested to be RoHS compliant, all Nucor Sheet Mill Divisions may be able to produce these coated products with a chemical treatment that conforms to the limits listed above. Please consult with one of our Nucor Sheet Mill facilities for more information on RoHS compliant coated products: https://www.nucor.com/locations/

Nucor supplies hazardous chemical information on its safety data sheets (SDS), which are provided to each purchaser, and are available at https://www.nucor.com/certifications/ or upon written request.

If you need additional information on a specific Nucor steel product, please contact:
