IMPORTANT

K-C sends Empyrean and Fidelity weekly data files. This is how K-C will notify the vendors that your employment has ended. Notice of your separation will be sent on the first data file on or after the effective date of your separation event. For example, a November 1 separation event would be sent on the first data file dated on or after November 1, even if the separation event is entered into Workday in advance. If you contact a vendor before you leave K-C, the representative won't have a record of your separation, but can answer questions and may be able to take certain actions. Other actions (e.g., 401(k) distribution) can be completed only after the vendors receive notice from K-C.

ADDRESS & PERSONAL INFORMATION UPDATES

After you leave K-C, it's your responsibility to keep your contact information (e.g., address, email) up to date with K-C's vendors to ensure you receive important tax documents and other benefits-related information. To update your personal information, call the vendor directly using the contact information found on pages 5–11.

**Note that some of the information in this guide may not apply to you. If you're an employee covered by a Collective Bargaining Agreement (CBA), refer to your CBA for information on how your plan(s) may differ from the information provided in this guide. You may also call the K-C Benefits Information Line at 800-551-2333.*

IMPORTANT MEDICARE INFORMATION

While turning age 65 doesn't impact your Health Savings Account (HSA) eligibility, enrolling in Medicare does. Medicare doesn't allow you to make any contributions to your HSA for any months after you enroll in any part of Medicare, even if you're also enrolled in a high deductible health plan. However, you can still use your HSA dollars, tax-free, as long as you still have a balance in the account.

When you sign up for Social Security retirement benefits at or after reaching age 65, your Medicare Part A coverage automatically begins. If you're over age 65 when you sign up, the Part A coverage will retroactively go back to the first of the month in which you turned 65 (up to a maximum of six months). To avoid a tax penalty, you should stop contributing to your HSA at least six months before you plan to apply for Medicare or Social Security retirement benefits. To stop the HSA contributions, go to kcbenefitcompass.com. If you need help, call Empyrean at **800-551-2333**.

If you're unable to stop contributing to your HSA in time, you can submit a correction to Fidelity. If you need help, call Fidelity at **800-551-2333**.

Consolidated Omnibus Budget Reconciliation Act (COBRA)

You and your covered dependents are eligible for COBRA if you're currently enrolled in health care coverage with K-C. COBRA gives you the option to temporarily continue your current K-C health care coverage (e.g., medical, dental, vision, FSA) for up to 18 months. There are ways in which the 18-month period of COBRA can be extended.

COBRA Checklist

This section provides a checklist of action steps related to enrolling in and paying for COBRA.

Transitioning from Active Coverage to COBRA

Active Coverage <i>ends on the last day of the month</i>	<ul style="list-style-type: none"> ✔ If you're enrolled in K-C health care coverage (e.g., medical, dental, vision, FSA), your coverage ends on the last day of the month in which your last day of employment occurs.
COBRA <i>begins the day after active coverage ends</i>	<ul style="list-style-type: none"> ✔ You must be enrolled in K-C health care coverage on your last day of employment to be eligible for COBRA. ✔ If eligible for COBRA, there is no gap between your active coverage and COBRA. Your COBRA will be effective immediately following the day your active coverage ends, as long as you enroll in COBRA by the deadline listed in the mailed notice from Empyrean Billing Services (see the <i>Enrollment Notice</i> section below). It's important to note that carriers (e.g., Anthem) won't be notified of your COBRA enrollment until the first payment has been made. ✔ If you or an eligible dependent are age 65 or older or otherwise Medicare eligible and plan to elect COBRA, be sure to enroll in Medicare first. Since COBRA pays secondary to Medicare, you must complete these steps in the correct order and by the respective deadlines, or your COBRA may be terminated and you could face a penalty or waiting period with Medicare. You may also be delayed, penalized, or even denied other Medicare-related coverage such as Medicare Supplemental and Medicare Advantage plans. If you gain Medicare eligibility after enrolling in COBRA, you'll be dropped from COBRA as you'll have secured other coverage (i.e., Medicare). Contact Medicare to learn more about the related steps and deadlines.
Seeking Care <i>prior to enrolling in COBRA but after active coverage ends</i>	<ul style="list-style-type: none"> ✔ If seeking care prior to enrolling in COBRA, but after your active coverage has ended, explain to your provider that you're in the process of enrolling in COBRA and ask to be billed later. Once your insurance carrier (e.g., Anthem) has been notified of your COBRA enrollment, contact your provider and ask them to resubmit any claims (see the <i>Carriers Notified</i> section). ✔ If instructed to pay upfront, pay the minimum amount possible and file your claim with your insurance carrier (e.g., Anthem) once they've been notified of your COBRA enrollment (see the <i>Carriers Notified</i> section on page 14). For questions about filing a claim, contact your insurance carrier. Contact information can be found on your insurance carrier ID card(s).

Completing Your COBRA Enrollment

Enrollment Notice <i>within 14 days of notification of separation date</i>	<ul style="list-style-type: none"> ✔ Empyrean Billing Services, K-C's COBRA administrator, will mail a detailed COBRA Enrollment Notice to your home address on file within 14 days after they've received notice of your last day of employment. The notice outlines your COBRA premiums, your rights and responsibilities, and provides further enrollment instructions. Receipt of the notice could take up to four weeks depending on when your separation is received and U.S postal mail time. ✔ If your COBRA eligibility period starts within the Annual Enrollment period, you'll receive two COBRA Enrollment Notices following your last day of employment. The first notice will contain information about continuing your current K-C health care coverage. Once your initial COBRA enrollment is completed, you'll receive a second notice for Annual Enrollment that gives you the opportunity to make changes to your COBRA coverage for the following year (e.g., elect a different medical plan option).
Take Action <i>within 60 days after losing active coverage</i>	<ul style="list-style-type: none"> ✔ If you wish to continue your K-C health care coverage, you must enroll in COBRA. You have about 60 days after the date you lose active coverage (see the <i>Active Coverage</i> section above) to complete your COBRA enrollment. The enrollment deadline is listed in the notice from Empyrean Billing Services. ✔ You can enroll in COBRA online, by mail, or by faxing the completed form to Empyrean Billing Services. Enrollment instructions are included in the notice from Empyrean Billing Services.

Paying for Premiums Once Enrolled in COBRA

First Bill Due <i>within 45 days of COBRA enrollment</i>	<ul style="list-style-type: none"> ✔ Empyrean Billing Services will send you a bill shortly after you enroll in COBRA. You'll receive a bill every month for as long as you're enrolled in COBRA with your payment due date. ✔ You may use funds from your Health Savings Account to pay your bill. ✔ If you enroll in COBRA, you'll pay the full cost of the monthly premiums plus a 2% administrative fee. Your monthly premiums will be higher than when you were an active employee because K-C will no longer share in the cost of your medical and dental benefits. Contact Empyrean for cost details. ✔ You cannot use Retiree Medical Credits to pay for COBRA premiums while you're eligible for Non-Medicare K-C Retiree Medical coverage.

Paying for Premiums Once Enrolled in COBRA (continued)

Carriers Notified <i>of COBRA enrollment after first bill is paid</i>	<ul style="list-style-type: none"> ✓ Your insurance carriers (e.g., Anthem) will be notified of your COBRA enrollment once your first monthly bill from Empyrean Billing Services is paid in full. They'll update their respective systems within five business days of notification. ✓ You can verify if the systems reflect your COBRA enrollment by calling your insurance carriers. Contact information can be found on page 5.
Medical Premiums <i>under a signed involuntary separation agreement (if applicable) with entitlement for six months of COBRA medical premiums paid by K-C</i>	<ul style="list-style-type: none"> ✓ It can take up to five weeks for Empyrean Billing Services to receive notification of your signed involuntary separation agreement. ✓ Once notified, your Empyrean Billing Services account will be adjusted to reflect your entitlement for six months of COBRA medical premiums paid by K-C. ✓ Depending on how long you choose to review, sign, and return your involuntary separation agreement, you may be required to make an initial COBRA medical premium payment to avoid losing COBRA medical coverage.
Getting Care Once Enrolled in COBRA	
Present ID Card <i>same one(s) you used as an employee</i>	<ul style="list-style-type: none"> ✓ When seeking care once enrolled in COBRA, present the same insurance carrier ID card(s) you used as an active employee.
Amount(s) Paid <i>toward deductible and out-of-pocket max</i>	<ul style="list-style-type: none"> ✓ Any eligible out-of-pocket expenses paid toward your deductible and out-of-pocket maximum within the same calendar year will carry over into your COBRA coverage.
Questions/Concerns <i>directly with the carrier or vendor</i>	<ul style="list-style-type: none"> ✓ If you have questions or concerns about a claim, contact the insurance carrier associated with your care (e.g., Anthem for medical claims, Delta Dental for dental claims). Contact information can be found on page 5. ✓ If you have questions or concerns about your COBRA premiums or billing, contact Empyrean Billing Services. Contact information can be found in your COBRA Enrollment Notice.

Note: If you leave K-C under a signed involuntary separation agreement with entitlement for six months of COBRA medical premiums paid by K-C, here are a few more things to note:

- **Your notice and/or direct bill from Empyrean Billing Services may show a cost for COBRA medical.** This is because Empyrean Billing Services did not have notice of your signed involuntary separation agreement at the time your COBRA Enrollment Notice and/or direct bill was generated. Once Empyrean Billing Services receives notice of your signed involuntary separation agreement and entitlement for six months of COBRA medical premiums paid by K-C, your account will be adjusted. This process can take up to five weeks.
- **Contact Empyrean Billing Services to determine if your account has been adjusted.** Call Empyrean Billing Services at 800-551-2333 or log in to your Empyrean Billing Services account at cobraandbillingservices.com to determine if your account has been adjusted to show the six months of COBRA medical paid by K-C. Instructions for setting up a Empyrean Billing Services account are included in your mailed COBRA Enrollment Notice from Empyrean Billing Services.
- **Pay the amount on the billing invoice if no adjustment is made by the due date.** Once your account is adjusted for the six months of COBRA medical paid by K-C, any amount you have paid will be applied to other COBRA premiums that you are responsible for (e.g., dental). At the end of the six months, if you do not wish to continue coverage and still have a credit, you will receive a refund directly from Empyrean Billing Services. See the *Carriers Notified* section about timing of when your insurance company will be notified of your COBRA enrollment.

Non-Medicare K-C Retiree Medical

If you're age 55 or older and have 15 or more years of eligible health and welfare service on your last day of employment, you're eligible for Non-Medicare K-C Retiree Medical, although you may be required to pay the full cost depending on your hire date. If you and/or your dependents aren't eligible for Medicare, meaning you're under age 65 or not disabled, you have the option to enroll in one of K-C's Medical Plan options.

You can enroll in Non-Medicare K-C Retiree Medical through Empyrean within 30 days after your last day of employment, during Annual Enrollment, or within 30 days after a qualifying life event. You can choose to elect COBRA or other coverage first and then opt in to Non-Medicare K-C Retiree Medical later during Annual Enrollment or within 30 days after a qualifying life event (e.g., exhausting COBRA).

Visit mykcbenefits.com or contact Empyrean at **800-551-2333** (choose Health and Welfare option) for cost details. Depending on your hire date, you may be eligible for financial support towards your Non-Medicare K-C Retiree Medical coverage through the use of Retiree Medical Credits. Learn more on page 16.

Retiree Medical Credits (RMCs)

If you were hired before January 1, 2004,* and are age 55 or older with 15 or more years of eligible health and welfare service on your last day of employment, you may be eligible for RMCs. RMCs provide financial support you can use toward the cost of your medical coverage and medical expenses in retirement.

Calculating RMCs

The number of RMCs you receive is based on years of eligible health and welfare service. Use the table to determine your credits. If you're eligible and age 55 or older, you can view the RMCs available to you on kcbenefitcompass.com by clicking the *Current Benefits & Profile* tile. Note that you'll receive your next year of service (for RMC calculation purposes) each January 1 if you're employed (up to a maximum of 30 years of service). Your RMC balance will be updated by the end of the first quarter of each year.

**Dates vary for bargaining units. See page 24 or refer to your CBA for more details.*

Using RMCs

How and where you use your RMCs will depend on your Medicare eligibility and the Medicare eligibility of your dependents.

- Non-Medicare Eligible:** If both you and your dependents are under age 65 and are not disabled, you'll be able to view and choose whether to use your RMCs during enrollment to pay your Non-Medicare K-C Retiree Medical premiums. You can elect to use your RMCs to pay the full monthly premium or you can opt to not use your RMCs and instead be billed for the full monthly premium.

Years of Service	Credits
15	40,000
16	44,300
17	48,600
18	52,900
19	57,200
20	61,500
21	65,800
22	70,100
23	74,400
24	78,700
25	83,000
26	87,300
27	91,600
28	95,900
29	100,200
30+	104,500

Using RMCs Example: For Under 65 Non-Medicare K-C Retiree Medical Coverage:

- Age at Retirement: 60
- Years of Eligible Service: 30
- Total RMCs: 104,500
- 2025 Annual Premium for CDHP Blue with HSA 2-Party: \$28,895*

	Retiree elects use of RMCs	Retiree does not elect use of RMCs
Retiree pays	\$0	\$28,895
Remaining RMC balance	76,697	104,500

**Visit mykcbenefits.com and search for Retiree Medical or contact Empyrean for premium cost details by plan option and coverage level.*

If you decide not to start Non-Medicare K-C Retiree Medical coverage or use your RMCs immediately, you can elect to do so during a later Annual Enrollment period or within 30 days after a qualifying life event. When credits are exhausted, you'll be billed for the full monthly premium.

- **Medicare Eligible:** If both you and your dependent(s) are age 65 or older or disabled, any remaining RMCs will transfer to a Health Reimbursement Account (HRA) through Via Benefits. You or your Medicare-eligible dependent must enroll in a Medicare supplemental medical and/or prescription drug plan through Via Benefits to be eligible for the HRA. Use your HRA to be reimbursed for medical, dental, and vision premiums including Medicare Part B, along with copays, deductibles, coinsurance, and other eligible health care expenses.

Split Families

A split family occurs when either you or your spouse (or other dependent) are not Medicare-eligible while the other is Medicare-eligible. You have a couple of options to consider when using your RMCs to pay for coverage:

- **Option 1:** You can choose to use your RMCs to pay for the K-C Retiree Medical coverage for the non-Medicare-eligible person through Empyrean and the standard annual allotment will be automatically transferred to Via Benefits for the Medicare-eligible person.* Empyrean will manage your RMCs and deduct the allotment sent to Via Benefits from your balance.
- **Option 2:** You can choose to pay the full cost of the K-C Retiree Medical coverage for the non-Medicare-eligible person and request Empyrean to transfer your full RMC balance to Via Benefits for use. The transfer of the RMC balance is a onetime occurrence and cannot be sent back to Empyrean for use in the future.

**The allotment is set by K-C each year. For 2025, the allotment is \$3,448 and is generally targeted to increase 3% annually.*

Retiree Group Life Insurance

If you were hired before January 1, 2012*, and will be age 55 or older with 15 or more years of eligible health and welfare service on your last day of employment, you may be eligible for Retiree Group Life Insurance (GLI).

K-C provides Retiree Group Life Insurance coverage equal to \$15,000 at no cost to you. If eligible, this coverage remains in effect until death. You're automatically enrolled when you leave K-C, but your beneficiary for active employee GLI doesn't carry over into retirement. Be sure to designate a beneficiary for your Retiree GLI. Contact Empyrean for details.

**Dates and amounts vary for bargaining units. See page 24 or refer to your CBA for more details.*

Retirement Plans – Fidelity

401(k) & Profit Sharing Plan (401(k) & PSP)

You'll receive a notice in the mail after Fidelity is notified of your last day of employment.

- **Outstanding Loans:** If you have an outstanding loan that you don't intend to pay in full before you leave K-C, contact Fidelity to speak with a representative about how to continue loan repayments after you leave. If you don't continue repayments, this will be considered a taxable distribution and you may be subject to a penalty.
- **Fidelity Personalized Planning & Advice:** If you're currently enrolled in Personalized Planning & Advice, your account will continue to be managed by a professional investment team. Your account will remain enrolled in Personalized Planning & Advice until you opt out or take a lump sum distribution.
- **Payment Options:** The options available to you depend on the amount you have in your 401(k) account. Note that any distribution taken out of your account may be subject to a 10% early distribution tax penalty. However, this penalty does not apply if your last day of employment occurs in the year you turn age 55 or after. Contact Fidelity for more information.

Balances less than or equal to \$1,000	Balances between \$1,001–\$7,000	Balances greater than \$7,000
The entire amount will be automatically paid to you in cash unless you elect to roll it over into another plan or IRA.	It will automatically roll over into an IRA with Fidelity unless you roll it over into another plan or financial institution, or take a lump sum distribution.	You can leave your money in the Plan, take partial or scheduled payments, roll it over into another plan or financial institution, or take a lump sum distribution. If you leave your money in the Plan, required minimum payments will begin at age 73.

- **Request Payment:** When you're ready to set up scheduled payments, take a distribution, or roll over your balance, complete the request through netbenefits.com or by contacting Fidelity. You may want to consult with your tax and/or financial advisor before taking any payment from the Plan.
- **Discretionary Profit Sharing Contribution:** If you're employed on December 31, your last day of employment occurs during the year at or after age 55, or your employment ends due to death, you'll receive any discretionary profit sharing contribution made for the year for all months during that year in which you were paid eligible earnings and were eligible for the Plan. The contribution will be deposited into your 401(k) account during the first quarter following the year in which your last day of employment occurs.
- **Tax Form(s):** If you've taken any distributions from the Plan, you'll receive a Form 1099 for those distributions the following year. Make sure to keep your personal information current with Fidelity.

**If you receive an additional 401(k) & PSP contribution after you've taken a lump sum distribution, you'll need to contact Fidelity to elect how you want it to be processed. If you don't make an election, it will be processed according to your account balance as described in the Payment Options section.*

Supplemental Retirement 401(k) & PSP

You may have a balance in the Supplemental Retirement 401(k) & PSP if your compensation exceeded the federal tax limits for the qualified 401(k) & PSP. If you're eligible, you can view your balance on [netbenefits.com](#). If you're leaving K-C, no action is needed from you if you're due payment(s). Payment(s) will be automatically processed by K-C payroll and you'll receive a Form W-2 the year following payment(s).

If you're due a payment from the Supplemental Retirement 401(k) & PSP, it may be paid in two parts:

- **Pre-2005 Account Balance:** This account balance is payable in the first quarter of the year following the year in which you left K-C.
- **Post-2004 Account Balance:** This balance is payable the later of:
 - March 14 of the year following the year in which you left K-C, or
 - The date which is six months following your separation date.

Voluntary Deferred Compensation Plan (VDCP)

If you're eligible, no action is needed from you if you're due payment(s). Payment(s) will be automatically processed by K-C payroll and you'll receive a Form W-2 the year following payment(s).

For more information about your VDCP distribution, contact Fidelity at **800-551-2333**.

Pension Plan

If you're eligible for a Pension Plan benefit, the value of the benefit is partially based on your age and length of service. There is no age restriction on when you can commence your benefit once you've left K-C. However, if you commence before age 55, your available payment options are limited and the benefit amount will be reduced. At or after age 55, your benefit amount may also be reduced if you commence your benefit before certain age and service milestones. These age and service milestones vary by location. Contact Fidelity for more details.

- **Benefit Estimate:** You can get an estimate of your benefit by visiting [netbenefits.com](#) and clicking *Pension*, then *Estimate*. You'll be prompted to enter the date you plan to leave K-C and the date you wish to begin receiving pension payments.
- **Present Value (Determined at Separation):**

Value Less Than or Equal To \$1,000	Value between \$1,001–\$7,000	Value Greater Than \$7,000
The benefit will automatically be paid to you in cash unless you choose to roll it over into an IRA or another plan.	The benefit will automatically roll over into an IRA with Fidelity, unless you elect cash or to roll it over into another plan or financial institution.	You can choose from several payment options.

- **Benefit Options:** You'll need to decide whether to commence or defer your pension benefit payment. Remember, regardless of when you begin payment, the benefit remains yours. If you want to collect your benefit when you separate, you'll want to start the process early. You can initiate your pension 90 days before you want payments to start by contacting Fidelity. You may want to consult a tax and/or financial advisor on the different benefit options available to you.
- **Collect Payment:** To collect your payment, you can start the initiation process online at [netbenefits.com](#) > *Pension* > *Collect Your Pension* or by calling Fidelity. You'll receive a retirement kit in the mail from Fidelity and, depending on your marital status and the pension option you elect, you may be able to complete all of the steps online. If notarized spousal consent is required because of the option elected, you'll need to complete the form and return it by mail. You'll receive a Form 1099 for any qualified pension payments. Make sure to keep your personal information current with Fidelity.

Non-Qualified Pension Plan (SERP)

If you're eligible for the Pension Plan, you may also have a Non-Qualified Pension (SERP) benefit if your compensation exceeded the federal tax limits for the qualified Pension Plan. If eligible, you can view your benefit on netbenefits.com. Fidelity will direct K-C payroll with regard to your payment information, and you'll receive payment(s) and a Form W-2 from K-C.

If you're due payment from a non-qualified benefit, it may be paid in two parts:

- **Pre-2005 Benefit:** If the present value of your pre-2005 benefit is equal to or less than \$25,000, you'll automatically receive this benefit as a single lump sum payment. If the present value is greater than \$25,000, this benefit is normally paid in the same form you elect for your qualified pension.* You may also elect to receive this amount as a single lump sum payment, regardless of your qualified pension election.
 - **Time Limit:** If your Pre-2005 non-qualified pension benefit is greater than \$25,000 and you wish to collect your benefit as a single lump sum payment, regardless of your qualified pension election, your election must be on file with Fidelity no later than the end of the year prior to the year in which you're eligible to begin receiving your pension benefit. If no election form is on file, the form of payment will follow your election for the qualified Plan.
 - **Benefit Options:** To initiate or defer your Pre-2005 Non-Qualified Pension Plan (SERP), follow the same process as the Pension benefit. See page 19 for details. You may also want to consult with your tax and/or financial advisor regarding any payment.
- **Post-2004 Benefit:** This benefit is automatically paid as a lump sum on the later of six months after you separate from employment or the end of any consulting agreement, if applicable.

**Some plans may differ. Refer to the Summary Plan Description on netbenefits.com or call 800-551-2333 and choose the 401(k), HSA, & Pension option for details.*

Note: It's important to keep your banking information up to date with Fidelity for payment processing.
