Leaving K-C Checklist

This checklist provides a general timeline of actions you may need to take before and after leaving K-C. Note that some of the information in this checklist may not apply to you.

Before you leave K-C...	
General	<ul style="list-style-type: none"> Read this guide to understand how your current benefits will be impacted. Log in to kcbenefitcompass.com and netbenefits.com to review your current benefits. Call the K-C Benefits Information Line at 800-551-2333 with questions or for guidance. Inform your Team Leader about your plans to leave K-C. Visit Workday to update your contact information, including your home address and personal email address.
Pension	<ul style="list-style-type: none"> If eligible, you can initiate your Pension Plan benefit up to 90 days before you want payments to start through netbenefits.com or by calling 800-551-2333 (choose the 401(k) HSA, & Pension option).
Retiree Medical	<ul style="list-style-type: none"> If you or your dependents are eligible for K-C Retiree Medical <u>and</u> Medicare and want supplemental Medicare coverage as soon as you leave K-C, start the process 60 days before your last day of employment. See page 14 for details. If you're age 65 or over and have a Health Savings Account (HSA), you should stop contributing to your HSA at least six months before you plan to apply for Medicare or Social Security benefits in order to avoid a tax penalty. If you're unable to do this in time, see page 10 for information on how to submit a correction form.
AIP, MAAP, or LTI	<ul style="list-style-type: none"> If you're eligible for AIP, MAAP, or LTI, see page 20 or view the K-C Compensation program brochures on K-C & Me to understand how your award(s) will be impacted. Other LTI documents are available on mybenefits.ml.com. Email Dallas.Compensation@kcc.com with questions.
After you leave K-C...	
General	<ul style="list-style-type: none"> If you're currently enrolled, your active K-C medical, dental, and vision coverage ends on the last day of the month in which your last day of employment occurs. See page 11 for information on coverage continuation options via COBRA and see page 12 for COBRA enrollment details. Once your separation date has been received by Empyrean and Fidelity, you may take action on your benefits (e.g., COBRA enrollment, 401(k) distribution). Call the K-C Benefits Information Line at 800-551-2333 with questions or for guidance. Keep your contact information up to date directly with UKG, Empyrean, and Fidelity as this is how you'll receive important documents (e.g., Form 1099) and other benefits information. It's important to note if you didn't elect electronic distribution of your Form W-2, it will be mailed to the address on file with UKG at the time of printing.
Retiree Medical	<ul style="list-style-type: none"> If you're eligible for Non-Medicare K-C Retiree Medical, you can enroll after your separation date has been received by Empyrean or within 30 days after a qualifying life event (e.g., losing active coverage) or wait until Annual Enrollment. You can delay enrollment and choose to elect COBRA or other coverage first. See page 14 for details.
LTI	<ul style="list-style-type: none"> If you have LTI awards, keep your contact information up to date with Merrill Lynch.

Verification of Employment: Employment and income verifications are managed by Equifax - The Work Number. Third parties, such as lenders, landlords, or other agencies must initiate requests directly with The Work Number at theworknumber.com to generate the verification letter. Kimberly-Clark's company ID is **21832**. Your lender, landlord, or agency will work directly with Equifax; the only action you take is to provide consent to the third party. Requestors can call Equifax - The Work Number at **800-367-2884**. Representatives are available Monday through Friday, 8 a.m. - 9 p.m. ET.

Address & Personal Information Updates

After you leave K-C, it's your responsibility to keep your contact information (e.g., address, email) up to date with K-C's vendors to ensure you receive important tax documents and other benefits-related information. To update your personal information, call the vendor directly using the contact information found on this page.

**Note that some of the information in this guide may not apply to you.*

*If you're an employee covered by a Collective Bargaining Agreement (CBA), refer to your CBA for information on how your plan(s) may differ from the information provided in this guide. You may also call the K-C Benefits Information Line at **800-551-2333**.*

Introduction

This guide covers a wide range of benefits, planning steps, and tools to help answer questions you may have as you leave Kimberly-Clark (K-C). More detailed information about the benefits mentioned in this guide can be found in the Summary Plan Descriptions (SPDs) located on the Empyrean and Fidelity websites listed below.

To make the most of this guide and understand the information that applies to you, you'll need to know what K-C benefits you currently have.* You can get that information through our administrative service vendors, Empyrean and Fidelity.

IMPORTANT: K-C sends Empyrean and Fidelity weekly data files. This is how K-C will notify the vendors that your employment has ended. Notice of your separation will be sent on the first data file on or after the effective date of your separation event. For example, a November 1 separation event would be sent on the first data file dated on or after November 1, even if the separation event is entered into Workday in advance. If you contact a vendor before you leave K-C, the representative won't have a record of your separation, but can answer questions and may be able to take certain actions (e.g., starting the pension process if eligible). Other actions (e.g., 401(k) distribution) can be completed only after the vendors receive notice from K-C.

Overview

Pay & Time Off

Final Paycheck

Your final paycheck is processed as soon as administratively possible following your last day of employment and in accordance with state requirements. Also known as your last regular paycheck, your final paycheck includes pay for days worked in the pay cycle on or before your last day of employment. Unless otherwise required by state law, your final paycheck will be distributed on the same pay cycle and in the same manner (e.g., direct deposit) as your regular paycheck.

Health & Welfare and 401(k) deductions will be taken from your final paycheck. If you don't have sufficient pay to take the full amount of your Health & Welfare and/or 401(k) deductions, as much as possible will be deducted. If you have an outstanding 401(k) loan, see page 17 for more information on how leaving K-C impacts your loan.

Unused Vacation and/or Flex Days (if applicable)

Unused vacation, personal holidays, negotiated leave, and other types of leave are only paid out at separation if required by state law or a collective bargaining agreement.*

If you purchased Flex Days and your last day of employment is December 30 or earlier, you'll be reimbursed for the amount you've paid toward unused days. If you've used more Flex Days than you've paid for through payroll deductions, the additional amount owed will be deducted from your final paycheck.

Pay Statements & Form W-2s

You'll continue to have access to the UKG Pro portal after you leave K-C to view your old pay statements and Form W-2s. It's important for you to remember your employee ID, as you'll continue to use it as your username after you leave K-C. For questions on accessing your account after you leave K-C, call the UKG Payroll Service Center at **833-442-5275**.

**As of December 2022, the following states require a payout of eligible time at termination: CA, CO, IL, LA, ME, MA, MT, NE, ND, and RI.*

Important Medicare Information

While turning age 65 doesn't impact your HSA eligibility, enrolling in Medicare does. You can't make any contributions to your HSA for any months after you enroll in any part of Medicare, even if you're also enrolled in a high deductible health plan. However, you can still use your HSA dollars, tax-free, as long as you still have a balance in the account.

When you sign up for Social Security retirement benefits at or after reaching age 65, your Medicare Part A coverage automatically begins. If you're over age 65 when you sign up, the Part A coverage will retroactively go back to the first of the month in which you turned 65 (up to a maximum of six months). To avoid a tax penalty, you should stop contributing to your HSA at least six months before you plan to apply for Medicare or Social Security retirement benefits.

If you're unable to stop contributing to your HSA in time, you can submit a correction to Fidelity. The correction involves withdrawing the total amount of any employee and employer HSA contributions made within the retroactive coverage timeframe for Part A.

To submit a return of excess contribution request, log in to netbenefits.com, go to *Accounts & Benefits* on the main menu, and select *Health Savings Account*. Once on the HSA page, select *Contributing > Frequently Asked Questions > What if I'm Over the Limit*. If you need help, call Fidelity at **800-551-2333**.

Once you've submitted a correction, Fidelity will process your withdrawal. You'll then receive a check for the amount submitted and the correction will be reported as additional income to the IRS.

Note: It's recommended that you contact your tax advisor for guidance before submitting a correction to Fidelity.

Medical

Active coverage in the K-C Medical Plan ends on the last day of the month in which your last day of employment occurs. This section provides quick tips to explain your continuation of medical coverage options and help you prepare to decide your next steps. First you'll see options available to everyone, and then more information on Retiree Medical and other options that depend on your age, hire date, and years of service when you leave K-C.

Below is a quick reference chart organizing the continuation of medical coverage options by age:

Non-Medicare Eligible Under Age 55	Non-Medicare Eligible Age 55 to 65	Medicare Eligible Age 65 or older or disabled

You can opt in at Annual Enrollment or within 30 days after a qualifying life event (e.g., exhausting COBRA).</p>

**There are ways in which the 18-month period of COBRA can be extended. Refer to the COBRA Enrollment Notice for more information.*

Consolidated Omnibus Budget Reconciliation Act (COBRA)

You and your covered dependents are eligible for COBRA if you're currently enrolled in health care coverage with K-C. COBRA gives you the option to temporarily continue your current K-C health care coverage (e.g., medical, dental, vision, FSA) for up to 18 months. There are ways in which the 18-month period of COBRA can be extended. Refer to the COBRA Enrollment Notice for more information.

- **Premium Cost:** If you enroll in COBRA, you'll pay the full cost of the monthly premiums plus a 2% administrative fee. Your monthly premiums will be higher than when you were an active employee because K-C will no longer share in the cost of your medical and dental benefits. Contact Empyrean for cost details.*
- **Mailed Notice:** You'll receive a detailed COBRA Enrollment Notice in the mail from Empyrean Billing Services within 14 days after they've received notice of your last day of employment. The notice outlines your COBRA premiums, your rights and responsibilities, and provides further enrollment instructions.

- **Enrollment Deadline:** You have about 60 days after the date you lose active coverage to complete your COBRA enrollment. The enrollment deadline and instructions are listed in the mailed notice from Empyrean Billing Services.
- **Medicare:** If you're age 65 or older or otherwise Medicare eligible and plan to elect COBRA, be sure to enroll in Medicare first. Since COBRA pays secondary to Medicare, you must complete these steps in the correct order and by the respective deadlines, or your COBRA will be terminated and you could face a penalty or waiting period with Medicare. You may also be delayed, penalized, or even denied other Medicare-related coverage such as Medicare Supplemental and Medicare Advantage plans.

If you gain Medicare eligibility after enrolling in COBRA, you'll be dropped from COBRA as you'll have secured other coverage (i.e., Medicare). Contact Medicare to learn more about the related steps and deadlines.
- **Effective Date:** There is no gap between your active coverage and COBRA. Your COBRA coverage will be effective immediately following the day your active coverage ends, as long as you enroll in COBRA by the deadline listed in the mailed notice from Empyrean Billing Services.
- **Paying for Coverage:** Once you receive your first bill from Empyrean Billing Services, you can pay by check or money order, or sign up for direct debit. If eligible, you may also use funds from your HSA to pay your bill. You cannot use Retiree Medical Credits (RMCs) to pay for COBRA premiums while you're eligible for Non-Medicare K-C Retiree Medical coverage.
- **Getting Care:** When seeking care after you've enrolled in COBRA, present the same insurance carrier ID card(s) you used as an active employee. Any eligible out-of-pocket expenses paid toward your deductible and out-of-pocket maximum under your active coverage will carry over for COBRA within the same calendar year.

**If you leave K-C under a signed involuntary separation agreement, and are eligible for COBRA, the first six months of your COBRA medical premiums may be paid by K-C. Refer to your involuntary separation agreement to determine your COBRA entitlement, if any.*

COBRA Enrollment

This section provides a checklist of action steps related to enrolling in and paying for COBRA.

Transitioning from Active Coverage to COBRA	
Active Coverage ends on the last day of the month	<ul style="list-style-type: none"> If you're enrolled in health care coverage with K-C (e.g., medical, dental, vision, FSA), your coverage ends on the last day of the month in which your last day of employment occurs.
COBRA begins the day after active coverage ends	<ul style="list-style-type: none"> You must be enrolled in health care coverage with K-C on your last day of employment to be eligible for COBRA. If eligible for COBRA, there is no gap between your active coverage and COBRA. Your COBRA will be effective immediately following the day your active coverage ends, as long as you enroll in COBRA by the deadline listed in the mailed notice from Empyrean Billing Services (see the Enrollment Notice section below). It's important to note that carriers (e.g., Anthem) won't be notified of your COBRA enrollment until the first payment has been made.
Seeking Care prior to enrolling in COBRA but after active coverage ends	<ul style="list-style-type: none"> If seeking care prior to enrolling in COBRA, but after your active coverage has ended, explain to your provider that you're in the process of enrolling in COBRA and ask to be billed later. Once your insurance carrier (e.g., Anthem) has been notified of your COBRA enrollment, contact your provider and ask them to resubmit any claims (see the Carriers Notified section). If instructed to pay upfront, pay the minimum amount possible and file your claim with your insurance carrier (e.g., Anthem) once they've been notified of your COBRA enrollment (see the Carriers Notified section). For questions about filing a claim, contact your insurance carrier. Contact information can be found on your insurance carrier ID card(s).
Completing Your COBRA Enrollment	
Enrollment Notice within 14 days of notification of separation date	<ul style="list-style-type: none"> Empyrean Billing Services, K-C's COBRA administrator, will mail a detailed COBRA Enrollment Notice to your home address within 14 days after they've received notice of your last day of employment. The notice outlines your COBRA premiums, your rights and responsibilities, and provides further enrollment instructions. If your COBRA eligibility period starts within the Annual Enrollment period, you'll receive two COBRA Enrollment Notices following your last day of employment. The first notice will contain information about continuing your current K-C health care coverage. Once your initial COBRA enrollment is completed, you'll receive a second notice for Annual Enrollment that gives you the opportunity to make changes to your COBRA coverage for the following year (e.g., elect a different medical plan option).
Take Action within 60 days after losing active coverage	<ul style="list-style-type: none"> If you wish to continue your K-C health care coverage, you must enroll in COBRA. You have about 60 days after the date you lose active coverage (see the Active Coverage section above) to complete your COBRA enrollment. The enrollment deadline is listed in the notice from Empyrean Billing Services. You can enroll in COBRA online, by mail, or by faxing the completed form to Empyrean Billing Services. Enrollment instructions are included in the notice from Empyrean Billing Services.
Paying for Premiums Once Enrolled in COBRA	
First Bill Due within 45 days of COBRA enrollment	<ul style="list-style-type: none"> Empyrean Billing Services will send you a bill shortly after you enroll in COBRA. You'll receive a bill every month for as long as you're enrolled in COBRA. Your payment due date will appear on each bill. You'll have about 30 days from the bill processing date to submit your payment. You can pay by check, money order, or sign up for direct debit which automatically drafts the amount owed from the account you provide. You may also use funds from your Health Savings Account (HSA) to pay your bill. Your monthly premiums will be higher than when you were an active employee because K-C will no longer share in the cost of your medical and dental benefits.

Paying for Premiums Once Enrolled in COBRA (continued)

Carriers Notified of COBRA enrollment after first bill is paid	<ul style="list-style-type: none"> Your insurance carriers (e.g., Anthem) will be notified of your COBRA enrollment once your first monthly bill from Empyrean Billing Services is paid in full. They'll update their respective systems within five business days of notification. You can verify if the systems reflect your COBRA enrollment by calling your insurance carriers. Contact information can be found on your insurance carrier ID card(s).
Medical Premiums under a signed involuntary separation agreement (if applicable) with entitlement for six months of COBRA medical premiums paid by K-C	<ul style="list-style-type: none"> It can take up to five weeks for Empyrean Billing Services to receive notification of your signed involuntary separation agreement. Once notified, your Empyrean Billing Services account will be adjusted to reflect your entitlement for six months of COBRA medical premiums paid by K-C. Depending on how long you choose to review, sign, and return your involuntary separation agreement, you may be required to make an initial COBRA medical premium payment to avoid losing COBRA medical coverage.

Getting Care Once Enrolled in COBRA

Present ID Card same as one(s) you used as an employee	<ul style="list-style-type: none"> When seeking care once enrolled in COBRA, present the same insurance carrier ID card(s) you used as an active employee.
Amount(s) Paid toward deductible and out-of-pocket max	<ul style="list-style-type: none"> Any eligible out-of-pocket expenses paid toward your deductible and out-of-pocket maximum within the same calendar year will carry over into your COBRA coverage.
Questions/Concerns directly with the carrier or vendor	<ul style="list-style-type: none"> If you have questions or concerns about a claim, contact the insurance carrier associated with your care (e.g., Anthem for medical claims, Delta Dental for dental claims). Contact information can be found on your insurance carrier ID card(s). If you have questions or concerns about your COBRA premiums or billing, contact Empyrean Billing Services. Contact information can be found in your COBRA Enrollment Notice.

If you leave K-C under a signed involuntary separation agreement with entitlement for six months of COBRA medical premiums paid by K-C, here are a few more things to note:

- Your notice and/or direct bill from Empyrean Billing Services may show a cost for COBRA medical.** This is because Empyrean Billing Services did not have notice of your signed involuntary separation agreement at the time your COBRA Enrollment Notice and/or direct bill was generated. Once Empyrean Billing Services receives notice of your signed involuntary separation agreement and entitlement for six months of COBRA medical premiums paid by K-C, your account will be adjusted. This process can take up to five weeks.
- Contact Empyrean Billing Services to determine if your account has been adjusted.** Call Empyrean Billing Services at **800-551-2333** or log in to your Empyrean Billing Services' account at **cobraandbillingservices.com** to determine if your account has been adjusted to show the six months of COBRA medical paid by K-C. Instructions for setting up a Empyrean Billing Services account are included in your mailed COBRA Enrollment Notice from Empyrean Billing Services.
- Pay the amount on the billing invoice if no adjustment is made by the due date.** Once your account is adjusted for the six months of COBRA medical paid by K-C, any amount you have paid will be applied to other COBRA premiums that you are responsible for (e.g., dental). At the end of the six months, if you do not wish to continue coverage and still have a credit, you will receive a refund directly from Empyrean Billing Services. See the Carriers Notified section about timing of when your insurance company will be notified of your COBRA enrollment.

Alternative Plan Options

You can also choose to enroll in a private insurance plan, your spouse's insurance plan, or shop the Healthcare Marketplace for coverage. For details on the Healthcare Marketplace, visit healthcare.gov.

- **Premium Cost:** You'll pay the full cost of the monthly premiums, so shop wisely.
- **Enrollment Deadline:** Losing health coverage for any reason (e.g., exhausting COBRA) is considered a qualifying life event. For most alternative plan sources, you have 60 days from the date of the qualifying life event to complete enrollment.

Retiree Medical

If you're age 55 or older and have 15 or more years of eligible health & welfare service on your last day of employment, you're eligible for K-C Retiree Medical, although you may be required to pay the full cost depending on your hire date. If you're eligible, the options available to you and your eligible dependents depend on age and disability status.

Non-Medicare Eligible: If you and/or your dependents aren't eligible for Medicare, meaning under age 65 or not disabled, you'll have access to Non-Medicare K-C Retiree Medical coverage under the K-C Medical Plan.

- **Medical Plan Options:** The national Anthem Blue Cross Blue Shield medical plan options available to you in retirement include the CDHP Blue with HSA, CDHP Green with HSA, CDHP with HRA, and PPO. Note that once you leave K-C, you won't receive any future K-C HSA contributions.
- **Premium Cost:** Visit mykcbenefits.com or contact Empyrean for cost details. Depending on your hire date, you may be eligible for financial support towards your Non-Medicare K-C Retiree Medical coverage through the use of Retiree Medical Credits (RMCs). If you're eligible but choose not to use your RMCs or you're ineligible for RMCs, you'll be billed directly for the full cost of the monthly premiums. See the RMCs section for more information. Keep in mind that, because retiree premiums are based on the underlying claims of only retirees, they're significantly higher than active employee premiums.

- **Enrollment Deadline:** You can enroll in Non-Medicare K-C Retiree Medical through Empyrean within 30 days after your last day of employment, during Annual Enrollment, or within 30 days after a qualifying life event. You can choose to elect COBRA or other coverage first and then opt into Non-Medicare K-C Retiree Medical later during Annual Enrollment or within 30 days after a qualifying life event (e.g., exhausting COBRA).

Medicare Eligible: If you and/or your dependents are eligible for Medicare, meaning at least 65 years of age or disabled, you'll have access to coverage options through Via Benefits, a supplemental Medicare vendor K-C has partnered with to offer a large selection of individual Medicare supplemental plans. For assistance with evaluating your options and/or enrolling, contact Via Benefits.

- **Medical Plan Options:** Via Benefits will help you evaluate your supplemental Medicare coverage options with regional and national insurance companies. Go to my.viabenefits.com/kimberlyclark, click *Shop & Compare*, enter your ZIP code, and then click *Go* to see what plans are available in your area.
- **Premium Cost:** You must be within 60 days of turning age 65 to view premium costs or else use the default age when you click *Shop & Compare*. Depending on your hire date, you may be eligible for financial support towards your supplemental Medicare premiums and other eligible expenses through the use of RMCs. If you're eligible but choose not to use your RMCs or you're ineligible for RMCs, you'll be financially responsible for the full cost of the monthly premiums. See the RMCs section for more information.
- **Enrollment Deadline:** If you want supplemental Medicare coverage as soon as you leave K-C, you'll need to start the process up to 60 days before your last day of employment by setting up your profile, scheduling an enrollment appointment, and comparing supplemental Medicare plans. HRA funds (if applicable) will be provided after your separation or after you turn age 65, whichever is later. However, you can also choose to wait. Ask a Via Benefits representative for details.

Retiree Medical Credits (RMCs)

If you were hired before January 1, 2004* and are age 55 or older with 15 or more years of eligible health & welfare service on your last day of employment, you may be eligible for RMCs. RMCs provide financial support you can use toward the cost of your medical coverage and medical expenses in retirement.

Calculating RMCs

The number of RMCs you receive is based on years of eligible health & welfare service. Use the chart below to determine your credits. If you're eligible and age 55 or older, you can view the RMCs available to you on **kcbenefitcompass.com** by clicking the Current Benefits & Profile tile. Note that you'll receive your next year of service (for RMC calculation purposes) each January 1 if you're employed (up to a maximum of 30 years of service). Your RMC balance will be updated by the end of the first quarter of each year.

**Dates vary for bargaining units. See page 21 or refer to your CBA for more details.*

Years of Service	Credits
15	40,000
16	44,300
17	48,600
18	52,900
19	57,200
20	61,500
21	65,800
22	70,100
23	74,400
24	78,700
25	83,000
26	87,300
27	91,600
28	95,900
29	100,200
30+	104,500

Using RMCs

How and where you use your RMCs will depend on your Medicare eligibility and the Medicare eligibility of your dependents.

- **Non-Medicare Eligible:** If both you and your dependents are under age 65 and are not disabled, you’ll be able to view and choose whether to use your RMCs during enrollment to pay your Non-Medicare K-C Retiree Medical premiums. You can elect to use your RMCs to pay the full monthly premium or you can opt to not use your RMCs and instead be billed for the full monthly premium.

If you decide not to start Non-Medicare K-C Retiree Medical coverage or use your RMCs immediately, you can elect to do so during a later Annual Enrollment period or within 30 days after a qualifying life event. When credits are exhausted, you’ll be billed for the full monthly premium.

- **Using RMCs Example:** For Under 65 Non-Medicare K-C Retiree Medical coverage:
 - Age at retirement: 60
 - Years of eligible service: 30
 - Total RMCs: 104,500
 - 2024 Annual Premium for CDHP Blue with HSA 2-Party: \$27,803*

**Visit mykcbenefits.com and search for Retiree Medical or contact Empyrean for premium cost details by plan option and coverage level.*

	Retiree elects use of RMCs	Retiree does not elect use of RMCs
Retiree pays	\$0	\$27,803
Remaining RMC balance	76,697	104,500

- Note:** While Non-Medicare eligible, RMCs can only be used to pay for K-C Retiree Medical premiums. RMCs cannot be used to pay for coverage outside of K-C or for any COBRA premiums.
- **Medicare Eligible:** If both you and your dependent(s) are age 65 or older or disabled, any remaining RMCs will transfer to a Health Reimbursement Account (HRA) through Via Benefits. You or your Medicare-eligible

dependent must enroll in a Medicare supplemental medical and/or prescription drug plan through Via Benefits to be eligible for the HRA. Use your HRA to be reimbursed for medical, dental, and vision premiums including Medicare Part B, along with copays, deductibles, coinsurance, and other eligible health care expenses.

Split Families

A split family occurs when either you or your spouse (or other dependent) are not Medicare eligible while the other is Medicare eligible. You have a couple of options to consider when using your RMCs to pay for coverage:

- **Option 1:** You can choose to use your RMCs to pay for the K-C Retiree Medical coverage for the non-Medicare eligible person through Empyrean and also use the standard annual allotment for the Medicare-eligible person through Via Benefits.* Empyrean will manage your RMCs and deduct the allotment sent to Via Benefits from your balance.
- **Option 2:** You can choose to pay the full cost of the K-C Retiree Medical coverage for the non-Medicare eligible person and request Empyrean to transfer your full RMC balance to Via Benefits for use. The transfer of the RMC balance is a one-time occurrence and cannot be sent back to Empyrean for use in the future.

**The allotment is set by K-C each year. For 2024, the allotment is \$3,347 and is generally targeted to increase 3% annually.*

Retiree Group Life Insurance

If you were hired before January 1, 2012*, and will be age 55 or older with 15 or more years of eligible health & welfare service on your last day of employment, you may be eligible for Retiree Group Life Insurance (GLI).

K-C provides Retiree Group Life Insurance coverage equal to \$15,000 at no cost to you. If eligible, this coverage remains in effect until death. You’re automatically enrolled when you leave K-C, but your beneficiary for active employee GLI doesn’t carry over into retirement. Be sure to designate a beneficiary for your Retiree GLI. Contact Empyrean for details.

**Dates and amounts vary for bargaining units. See page 21 or refer to your CBA for more details.*

Retirement Plans – Fidelity

401(k) & Profit Sharing Plan (401(k) & PSP)

You'll receive a notice in the mail after the Fidelity Service Center is notified of your last day of employment.

- **Outstanding Loans:** If you have an outstanding loan that you don't intend to pay in full before you leave K-C, contact Fidelity to speak with a representative about how to continue loan repayments after you leave. If you don't continue repayments, this will be considered a taxable distribution and you may be subject to a penalty.
- **Fidelity Personalized Planning & Advice:** If you're currently enrolled in Personalized Planning & Advice, your account will continue to be managed by a professional investment team. Your account will remain enrolled in Personalized Planning & Advice until you opt out or take a lump sum distribution.
- **Payment Options:** The options available to you depend on the amount you have in your 401(k) account. Note that any distribution taken out of your account may be subject to a 10% early distribution tax penalty. However, this penalty does not apply if your last day of employment occurs in the year you turn age 55 or after. Contact Fidelity for more information.
 - **Balances of \$1,000 or less:** The entire amount will be automatically paid to you in cash unless you elect to roll it over into another plan or IRA.
 - **Balances greater than \$1,000 up to \$7,000:** It will automatically roll over into an IRA with Fidelity unless you roll it over into another plan or financial institution, or take a lump sum distribution.
 - **Balances greater than \$7,000:** You can leave your money in the Plan, take partial or scheduled payments, roll it over into another plan or financial institution, or take a lump sum distribution. If you leave your money in the Plan, required minimum payments will begin at age 73.
- **Request Payment:** When you're ready to set up scheduled payments, take a distribution, or roll over your balance, complete the request through **netbenefits.com** or by contacting Fidelity. You may want to consult with your tax and/or financial advisor before taking any payment from the Plan.
- **Discretionary Profit Sharing Contribution:** If you're employed on December 31, your last day of employment occurs during the year at or after age 55, or your employment ends due to death, you'll receive any discretionary profit sharing contribution made for the year for all months during that year in which you were paid eligible earnings and were eligible for the Plan. The contribution will be deposited into your 401(k) account during the first quarter following the year in which your last day of employment occurs.
- **Tax Form(s):** If you've taken any distributions from the Plan, you'll receive a Form 1099 for those distributions the following year. Make sure to keep your personal information current with Fidelity.

**If you receive an additional 401(k) & PSP contribution after you've taken a lump sum distribution, you'll need to contact Fidelity to elect how you want it to be processed. If you don't make an election, it will be processed according to your account balance as described in the Payment Options section.*

Supplemental Retirement 401(k) & PSP

You may have a balance in the Supplemental Retirement 401(k) & PSP if your compensation exceeded the federal tax limits for the qualified 401(k) & PSP. If you're eligible, you can view your balance on **netbenefits.com**. If you're leaving K-C, no action is needed from you if you're due payment(s). Payment(s) will be automatically processed by K-C payroll and you'll receive a Form W-2 the year following payment(s).

If you're due a payment from the Supplemental Retirement 401(k) & PSP, it may be paid in two parts:

- **Pre-2005 Account Balance:** This account balance is payable in the first quarter of the year following the year in which you left K-C.
- **Post-2004 Account Balance:** This balance is payable the later of:
 - March 14 of the year following the year in which you left K-C, or
 - the date which is six months following your separation date.

Voluntary Deferred Compensation Plan (VDCP)

If you're eligible, no action is needed from you if you're due payment(s). Payment(s) will be automatically processed by K-C payroll and you'll receive a Form W-2 the year following payment(s).

For more information about your VDCP distribution, contact Fidelity at **800-551-2333**.

Pension Plan

If you're eligible for a Pension Plan benefit, the value of the benefit is partially based on your age and length of service. There is no age restriction on when you can commence your benefit once you've left K-C. However, if you commence before age 55, your available payment options are limited and the benefit amount will be reduced. At or after age 55, your

benefit amount may also be reduced if you commence your benefit before certain age and service milestones. These age and service milestones vary by location. Contact Fidelity for more details.

- **Benefit Estimate:** You can get an estimate of your benefit by visiting **netbenefits.com** and clicking *Pension*, then *Estimate*. You'll be prompted to enter the date you plan to leave K-C and the date you wish to begin receiving pension payments.
- **Present Value (determined at separation):**
 - **\$1,000 or less:** The benefit will automatically be paid to you in cash unless you choose to roll it over into an IRA or another plan.
 - **Greater than \$1,000 but not greater than \$7,000:** The benefit will automatically roll over into an IRA with Fidelity, unless you elect cash or to roll it over into another plan or financial institution.
 - **Greater than \$7,000:** You can choose from several payment options.
- **Benefit Options:** You'll need to decide whether to commence or defer your pension benefit payment. Remember, regardless of when you begin payment, the benefit remains yours. If you want to collect your benefit when you separate, you'll want to start the process early. You can initiate your pension 90 days before you want payments to start by contacting Fidelity. You may want to consult a tax and/or financial advisor on the different benefit options available to you.
- **Collect Payment:** To collect your payment, you can start the initiation process online at **netbenefits.com** > Pension and clicking *Collect Your Pension* or by calling Fidelity. You'll receive a retirement kit in the mail from Fidelity and, depending on your marital status and the pension option you elect, you may be able to complete all of the steps online. If notarized spousal consent is required because of the option elected, you'll need to complete the form and return it by mail. You'll receive a Form 1099 for any qualified pension payments. Make sure to keep your personal information current with Fidelity.

Non-Qualified Pension Plan (SERP)

If you're eligible for the Pension Plan, you may also have a Non-Qualified Pension (SERP) benefit if your compensation exceeded the federal tax limits for the qualified Pension Plan. If eligible, you can view your benefit on netbenefits.com. Fidelity will direct K-C payroll with regard to your payment information, and you'll receive payment(s) and a Form W-2 from K-C.

If you're due payment from a non-qualified benefit, it may be paid in two parts:

- **Pre-2005 Benefit:** If the present value of your pre-2005 benefit is equal to or less than \$25,000, you'll automatically receive this benefit as a single lump sum payment. If the present value is greater than \$25,000, this benefit is normally paid in the same form you elect for your qualified pension.* You may also elect to receive this amount as a single lump sum payment, regardless of your qualified pension election.
 - **Time Limit:** If your Pre-2005 non-qualified pension benefit is greater than \$25,000 and you wish to collect your benefit as a single lump sum payment, regardless of your qualified pension election, your election must be on file with Fidelity no later than the end of the year prior to the year in which you're eligible to begin receiving your pension benefit. If no election form is on file, the form of payment will follow your election for the qualified Plan.
 - **Benefit Options:** To initiate or defer your Pre-2005 Non-Qualified Pension Plan (SERP), follow the same process as the Pension benefit. See page 18 for details. You may also want to consult with your tax and/or financial advisor regarding any payment.
- **Post-2004 Benefit:** This benefit is automatically paid as a lump sum on the later of six months after you separate from employment or the end of any consulting agreement, if applicable.

**Some plans may differ. Refer to the Summary Plan Description on netbenefits.com or call 800-551-2333 and choose the 401(k), HSA, & Pension option for details.*

Note: It's important to keep your banking information up to date with Fidelity for payment processing.

Other Compensation

Annual Incentive Plan (AIP) or Management Achievement Award Program (MAAP)

The specific terms and conditions regarding the treatment of your bonus award (if eligible) when you leave K-C are covered in the North America AIP brochure and the Global MAAP brochure found on **K-C & Me > HR > Compensation**.* Note that any such payments are made at K-C's discretion, and K-C retains the right to change the payment amount at any time.

Below are some brief descriptions of how leaving K-C can impact your bonus award. For more details, view the brochure(s) on **K-C & Me** or contact the K-C Compensation team at Dallas.Compensation@kcc.com.

If you leave K-C before age 55: If your last day of employment occurs before age 55 and any time prior to the bonus payment (even after the plan year ends), you forfeit your bonus award unless otherwise provided below.

If you leave K-C at or after age 55: If you're an active employee on or after April 1, but your last day of employment voluntarily occurs prior to the payment date, your bonus award will be pro-rated, paid at target based on your last day of employment, and paid within 90 days. If you voluntarily leave prior to April 1, you'll be ineligible for bonus payment for the current plan year.

If you leave K-C under an involuntary separation

agreement: If your last day of employment occurs on or after April 1 under a signed separation agreement (other than for performance-based termination), your bonus award for the current plan year will be pro-rated, paid at target based on your last day of employment, and paid within 90 days. If you have a performance-based termination or are otherwise involuntarily terminated, you forfeit your bonus award.

Long-term Incentive Awards (LTI)

The specific terms and conditions regarding the treatment of your awards when you leave K-C are covered in your award agreement and grant materials, which can be found at mybenefits.ml.com.

Below are some brief descriptions of how leaving K-C can generally impact your LTI awards. For more details, view the LTI program brochure on **K-C & Me > HR > Compensation**,* refer to your LTI materials on mybenefits.ml.com, or contact the K-C Compensation team at Dallas.Compensation@kcc.com.

If your last day of employment occurs before age 55:

- **Performance Restricted Share Units (PRSUs) & Annual Restricted Share Units (RSUs):** You forfeit all unvested PRSUs and accrued dividend equivalent shares.
- **Stock Options:** You forfeit all unvested Stock Options. You must exercise your vested Stock Options within the lesser of three months after your last day of employment or within the original exercise period, whichever comes first.

If your last day of employment occurs at or after age 55:

- **PRSUs:**
 - **On or before six months of grant date:** You forfeit PRSUs and accrued equivalent shares.
 - **More than six months after grant date:** Your PRSUs will automatically vest upon termination and pay out at the end of the performance period (same as for active participants).

- **Annual RSUs:**

- **On or before six months of grant date:** You forfeit Annual RSUs and accrued equivalent shares.
- **More than six month after grant date:** Your Annual RSUs will automatically vest and pay out upon termination.

- **Stock Options:** Your Stock Options automatically vest upon separation from K-C. You must exercise your vested Stock Options within the lesser of five years after your last day of employment or within the original exercise period, whichever comes first.

If you hold shares of K-C stock in your individual investment account at Merrill Lynch (acquired from a vesting or exercise of your K-C awards), you may choose to continue to hold the shares, but you will need to sell or transfer them within a year of your exit. Contact Merrill Lynch if you have questions regarding your account.

**Your access to K-C & Me will end once you leave K-C.*

Government Benefits – Social Security

- **Eligibility:** You can apply for Social Security benefits as early as age 62, but full benefits will not be paid until you reach age 65 or later, depending on your date of birth.
- **Benefit Estimate:** You can request an Earnings and Benefit Estimate Statement from the Social Security Administration (SSA) at any time. Contact the SSA to request an estimate.
- **Request Submission:** You should contact the SSA approximately 90 days before you're eligible to apply for Social Security benefits. Note that you're not required to sign up for Social Security retirement benefits if you continue to work past age 65.
